FRIDAY, FEBURARY 20, 1903.

How about the opera house? Is it going to drag on, for years like the much talked of opera house of Eugene?

The danger of high water is now practically past. Would it not be a good idea to replace the side-walks that were washed out some

The Salem Sratesman has shown a remarkable propensity for fight-ing for a lost cause—a cause that was lost almost before the logist ing for a lost cause—a cause that was lost almost before the legisla-ture convened—the election of Mr. Several parties have been here hately looking for saw null locations. This is a good place for a null. Geer to United States senator.

It has been remarked by old residents of this section that at no time in years has snow fallen at this season of the year to the ex-tent of the recent storm, and disap-peared without a heavy rain storm. It is said to be a good indication of It is said to be a good indication of an early spring.

Williams Jennings Bryan has he church, this city, next Sunday announced that he will not again morning at 10 o'clock, Rev. Doyle, be a candidate for president of the pastor. United States. It is no d ambt good form for Mr. Bryan to make this announcement, but then no one en-tertained a single thought that he would be a candidate again.

The West is in error regarding Mr, Conner of the Roseburg Plain-dealer having acquired an interest in the Nugget. The Nugget as will be seen at the bead of the values is now incorporated with

lessening the destruction of forest fires, has passed the house and senate. The measure is a good one and will save the state many thousands of dollars.

You will find some boys in Cottage Grove out Saturdays, mornings and evenings with guns, in an attempt to destroy the native song though it appears from the recipes You will find others out scattering bread crumbs for the feathered tribe. Watch the boys and see which characteristic predominates for good.

There are a number of boys of tender years in this town who put in much of their spare time, hunting robbins and other native birds, air guns. While it is conceded that the average American boy takes more pleasure with a gun than with anything with which boys are allowed to play, still it is defore Marie L. Ware, U.S. Com-

people's interest, they would have efeated him. As the people elected C. J. Howard Editor Barton C. Y. Brown - Business Mg*r. Enteredist the partoffice st Cottage Grove. Dregon as madd matter. SENATORIAL VOTE.

R. Welch was called to Engene this week to attend the bedside of his daughter who is quite ill.

Al Churchill is spending a few days a town. He reports everything noting good in Bohemin. Thes Gardiner, accompanied by his daughter Jennie, was in from London Thursday, and made this office a plensant call.

"THE POETRY OF THE ORANGE"

"It appeals to you, when the feult hangs ripe and sweet on the tree late in February, or early in March Then the blossoms break out, and the trees are yellow with golden globes, and white with orange flowers. It may be that a flurry of now has whitehed the mount tops, and then you have an artistic

background for a tropical forest. The air is full of sanshine, and heavy with fragrance as night comes on, and then, if the moon be shinning. you may hear at midnight through open windows, the sour of the mocking bird in the scented grove, and it never seenied so melodious be-

An experience like this is possible any winter, and it is worth a lourney of a thousand miles, while you can linve it, by taking the scenic Shasta Route through the grand, and picturesque Siskiyon and Shosta Mountains, to Southern California. Complete information about the trip, and descriptive matter, telling about Californin; may be had from any Southern Pacific Agent or

It will be the endeavor of the management improve the paper and job office as fast as possible with the view of making the Nugget one of the strongest papers in

The Guard attacks Senator Kuykendall on his logging bill, which is calculated to give saw mill companies the right to make small streams navigable for logging pur-poses. alleging that the senator is working in the interest of the sawmill men, insinuating of course that he is owned body and breeches by the Booth-Kelly people. The Guard sets up that Senator Kuykendall is not supported by the Lane county voters on this matter. It (will be remembered, however, that in the last campaign Mr. Travis, Senator Kuykendall's opponent, made this particular ques-tion an issue and attacked Kuykendall. The question was discussed from one end of the county to the other, and Kuykendall was elected over Travis by a handsome majority. If the voters had entertained fears of Senator Kuykendall If they had not had implicit confidence in his ability and integrity notwithstanding the bitter fight made against him by Mr. Travis and this self-same Guard, which is always looking out (?) for the

Examination of the livestock situ-ation in the Pacific northwest brings two facts into prominent light, says the Southern Oregonian. of Medford, Producers of beef and pork animals should put a better finish on them, both for their own profit and for the repute of the business. On the other hand, buyers should recognize the superior finish with a superior price. When the market lets the finished animals go begging, there is small encouragement to the producer. Buyer and producer must work to-gether to build up the meatindustry. Neither should bear the whole bur-den.

CANCER CURED!!

Mr. W. W. Prickett, Smithfield, Ills, writes, Sept. 10th, 1901: "I had been suffering several years with a cancer or suffering several years with a cancer on my face, which gave me great annoy-ance and unbearable itching. I was using Ballard's Snow Liniment for a sore leg, and through an accident. I rubbed some of the liniment on the cancer, and as it gave mealmost instant relief. I decided to continue to use the liniment on the cancer. In a short time the cancer came out, my faces healed up and there is not the slightest scar left. I have implicit faith in the merits of this preparation, and it cannot Best Equipped assay office in the State, ples by mail receive prompt strention.
