Half-Sick

"I first used Ayer's Sarsaparilla in the fall of 1848. Since then I have taken it every spring as a blood-purifying and nerve-strengthening medicine."

If you feel run down, are easily tired, if your nerves are weak and your blood is thin, then begin to take the good old standard family medicine, Ayer's Sarsaparilla.

It's a regular nerve lifter, a perfect blood builder. \$1.00 a bottle. All druggists.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He knows all about its great value in all cases of blood and nerve disease. We will be satisfied.

RUSSELL SAGE TELLS YOUNG MEN HOW TO BE SUCCESSFUL

Russell Sage, the aged financier, in a very able article printed in New York, defines the secret of his success and tells young men how to succeed.

"A young man to succeed must necessarily have a definite idea of what he wants to do, and must continually keep it before his mind.

"I have been a very busy man for almost seventy years, and I am absolutely convinced that a young man who makes up his mind to succeed almost invariably will do so, if he is made of the right material and concentrates all his efforts with the one purpose in view.

"I have one piece of advice for any young man who desires to succeed and it is this: That under no circumstances should he yield to the temptation of gambling in stocks. Now, I do not mean by this that he should never seek success through the medium of speculation, but, rather, that he should always observe some business method in all his dealings.

When women are troubled with menstrual irregularities, weakness, nervousness, displacement or obversion of the womb, that bearing-down feeling, inflammation of the ovaries, leukorrhoea, they should remember there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound.

When sound, good-paying stocks are low might be wiser to buy them as an investment only, but not otherwise.

A prominent Southern lady, Mrs. Blanchard, of Nashville, Tenn., tells how she was cured of backache, dizziness, painful and irregular periods by Lydia E. Pinkham's Vegetable Compound.

"Gratitude compels me to acknowledge the great merit of your Vegetable Compound. I have suffered for four years with irritating and painful menstruation, also dizziness, pains in the back and lower limbs, and fitful sleep. I dreaded the time to come which would only mean suffering to me. Six bottles of Lydia E. Pinkham's Vegetable Compound brought me health and happiness in a few short months, and was worth more than months under the doctor's care, which really did not benefit me at all. I feel like another person now. My aches and pains have left me. I am satisfied there is no medicine so good for sick women as your Vegetable Compound, and I advocate it to my lady friends in need of medical help."
