

## Mines and Mining

Devoted to Bohemia Notes and Items of general interest to Mining Men.

### GOLDEN RULE MINING CO.

Wm. Wechter president of the Golden Rule Consolidated Mining and Milling Co., accompanied by his brother, George Wechter, of Indianapolis, Indiana, arrived in the city Monday and proceeded to the O. & S. R. Ry. immediately to their property in Bohemia. President Wechter, in conversation with a Nugget reporter, said that his visit here at the present time was to lay out plans for the immediate improvement of their hotel for the accommodation of the increased force of men that will be put to work on the property. The hotel is a 12 room structure and will be completely overhauled, repainted and papered. They have all arrangements made with the government for establishing a postoffice near their property to be known as Mineral and U. G. LeRoy is now erecting a store building 28x36 in which he will place a stock of general merchandise immediately. Mr. Wechter went back to Salem Wednesday but will return to Cottage Grove in about a week or ten days to begin surveying their property for the purpose of establishing the lines preparatory to asking for a patent. The Golden Rule people have 9 claims at the foot of Hardscrabble hill and six claims near the North Fairview

Co.'s property. The company's stock is now selling at 3 1/2 cts. per share and the probability is, in fact the company contemplate raising the price of shares to 3 cts. by the first of July. They have considerable stock placed among eastern investors, principally in Indiana and Iowa, where Mr. Wechter has been for the past three or four months, besides the large blocks they have placed among investors on the coast.

### A NEW MINING COMPANY.

The Royal Flush Mining Co. with a capital stock of \$5000 was organized and incorporated this week by four of Cottage Grove's citizens, as follows: Alec Lundberg, president; John Lindquist, mining manager; John Crowley, treasurer and Michael Goetz, secretary. The capital stock is fully paid and non-assessable, is all owned by the incorporators equally and no stock for sale. The company owns 6 claims in the district all good ones, upon which active systematic work will be begun immediately. Their claims are covered with first class timber and the ledges show up fine ore. This company consists of practical mining and good business men and will prove to be one of the best companies in the district ere another year rolls by.

## PRESIDENT ROOSEVELT

Distinctly Denies the Rumor He is Now nor Never Was Opposed to the Election of Binger Hermann—Instead He Desires His Election.

### PRESIDENT VERY EMPHATIC

Dr. T. W. Harris, chairman of the republican congressional committee of the first district, has resolved from Senator John H. Mitchell a copy of a letter which the senator has received from Hon. Thos. H. Carter, president of the National Louisiana Purchase Exposition Commission, which proves conclusively that President Roosevelt is favorable to Binger Hermann's election to congress as follows:

"St. Louis, Mo., May 2.—Hon. John H. Mitchell, Washington, D. C. My dear Senator: In regard to the candidacy for congress of Hon. Binger Hermann, to which you refer, permit me to say that I made it a special point to ask President Roosevelt direct what his attitude was in regard to Mr. Hermann. I had no doubt, to begin with, as to his reply, but since, according to your suggestion, persons residing in the election of Mr. Hermann had suggested that his candidacy was regarded with disfavor by the president, I felt constrained to secure for you, as Mr. Hermann's friend, direct information from headquarters. In his usual frank and forceful manner, the president said, as near as I can recall the following language, to wit:

"There is not one word of truth in the rumor that I am opposed to Mr. Hermann's election; but, on the contrary, I heartily and earnestly desire his election. I hope that every voter who believes in the principles of the party and wishes well for the administration will cast his vote for Mr. Hermann. The rumored quarrel between Mr. Hermann and myself is without foundation. Our relations are, and always have been, cordial."

"The foregoing is substantially, if not actually, the language of the president."

### MISS WARE RETURNS.

Miss Marie L. Ware, former U. S. Land Commissioner of Eugene, of whom the Portland papers have had so much to say of late, returned to her home at Eugene on last Saturday from California, where she has been visiting for several weeks. It now appears that all the reports that have been sent out by those "hustling" Eugene correspondents were fakes of the first water. Miss Ware's whereabouts have been known all the time and had the officials of Uncle Sam wanted her they could have secured her. She left Eugene Monday for Portland where she will confer with her attorney and also with Judge Bellinger. From this it would seem wise for Portland papers to secure reliable correspondents at Eugene.

Miss Ethel Veatch, sister of Mrs. Harry Wynne, left Sunday for Eugene for a few days visit prior to her return home, to Salem.

### THE LEWIS & CLARK FAIR.

The trouble between the Lewis and Clark fair and the federated trades is about to be settled. It is to be hoped the unions will withdraw from their position and allow the work already begun to proceed as the fair must eventually result beneficial to the state, coming, as it does immediately after the World's Fair at St. Louis it will, of course, bring a large number of exhibits from that city and will, if allowed to go unimpeded by petty differences of opinion on economic questions be of greater benefit to Oregon than anything that has yet occurred within the borders of the state.

### LODGE NOTES.

[The following article was published in the Nugget last week under the head of Modern Brotherhood of America, and is reprinted in the woodmen under the correct head Modern Woodmen.]

### MODERN WOODMEN STATE CAMP.

The state camp met at The Dalles Wednesday May 6 at 10 a m and was called to order by State Consul C. K. Burkhardt of Albany. A committee on credentials was appointed by the chair after a committee on order of business the committee on credentials found 23 delegates who were entitled to seats. Three delegates were then elected to attend the head camp at Indianapolis in June. The three elected were Judge Lowell of Pendleton, W. T. Vaughn of Portland and C. K. Burkhardt of Albany. Geo. Comer was elected an alternate to Burkhardt, and R. E. VanVoorhis alternate to Vaughn. After election of state officers the meeting adjourned to meet in Baker City two years hence. Bruce Curry was elected state consul, F. E. Hills of Ashland state clerk.

### HAL THE HEALER IS HERE.

Hal, the healer, with his company of entertainers, arrived in town Monday morning and that evening began a series of free open air entertainments at the show grounds on the square back of the Central Hotel. The show is good. The singers can sing, the dancers can dance, and the acrobatic feats are astonishing. Hal straightens cross eyes, extracts teeth, removes tumors, cures deafness and performs many other operations and cures upon the platform free and painless. Hal has made a wonderful reputation in the coast states. He will undoubtedly accomplish much good in this section of the country. They give entertainments every evening except Sunday. The show ground is large and people from out of town can drive right onto the lot and sit in their wagons and see the show.

Elsie Holderman, foreman of the construction work on the new wagon road building up Champion canyon in Bohemia District, and also general commissary for all the forces working in connection with that enterprise, came in from the scene of operations Tuesday evening on business and returned Thursday.

Michael Goetz came down from the mines Monday on business and will remain in town a few days. Mr. Goetz made the Nugget office a pleasant call.

### FORTY ACRE RANCH FOR SALE.

If taken within the next ten days the 40 acre hill ranch that I have been offering for \$200.00, can be bought for \$200.00, only part of which must be cash. This place is a bargain at that price and will bring several hundred dollars more than that before the summer is over.

It is located about three and one-half miles south-east of the city, near Log & Bingham's Logging camp, and close to a good road. There is a fairly good house and some outbuildings on the place, also an orchard, good fences, springs, etc. There is enough saw timber and wood on it to more than pay for it.

If you wish to purchase a piece of this kind, call on or address,  
LEE W. HENRY,  
Cottage Grove.
