AN EXCITING CONTEST.

Game Lasted Twelve Innings Resulting in a Tie Score.

The ball game here last Sunday between the "Outlaws" of Roseburg, and the "Cyclones" of this city was probably the most closely contested and exciting exhibition of the national game in the Willamette valley.

After securing six runs in the first inning the visitors as well as the local fans thought it was "all off" with the local team, but were happily disappointed.

Everybody played ball after that bid inning on the start and the splendid work of the local team throughout the game was the talk of the fans and the cause of "ear splitting" applause from the assembled crowd.

The Cottage Grove boys lined up as follows: Coffman c; Henry p; Hill 1st b; McQueen 2nd b; Robinson 3rd b; Wallace s; Griffin rf; Blair c l; and Martin lf.

Below is the score by innings which shows how the game progressed and why the fans got excited:

1 2 3 4 5 6 7 8 9 10 11 12
C. Grove 0 2 0 2 2 0 1 1 0 0 0 1-9
Roseburg 6 1 0 0 0 0 1 0 0 0 1-9

Batteries: Cottage Grove, Henry and Coffman. Roseburg, Conn Parker and Conn. Struck out by Conn, 13; by Henry, 17.

The final result of the game was a little unsatisfactory owing to the fact that the umpires could not agree as to which one was entitled to give the decision on home base that was to decide the game.

However, the "Outlaws" are a fine set of fellows and put up a good game of ball. At home they are not given credit for being the representative team of the city but without doubt they would make it decidedly interesting for the league team of that city were they given an opportunity.

A movement is now on foot among the ballists of the city to organize a stock company for the purpose of fitting up a good enclosed ground, grand stand etc.

We look upon the frightful crimes committed in every country. We shudder when we read of the horrible massacres of the Jews.

Vol. 1 No. 1 of the Riddle Review, Miss Mary K. Brookes, editor, is on our desk. It is a bright newsy little 4 column 4 page, and from its start most evidently commands the patronage of Riddle merchants and citizens.

Dr. Bergin, Pains, Ill., writes: "I have used Ballard's Snow Liniment; always recommend it to my friends, as I am confident there is no better made. It is a dandy for burns."

The deed of a husband's love! In the home of a husband's friend. To him who rules and reigns above, Like a full blooded roan of a steaming north, she came, but to fade away.

She is gone! In the memory of Mrs. J. E. McKibben, she is gone from the home that loved her well.

How sad to think she is not there! When the cold and rigid - death's door, With a cold and icy - death's door.

INVITED BY PRESIDENT

Hon Binger Hermann has been invited to accompany President Roosevelt from Salem to Portland.

AS A SPECIAL GUEST.

Hon Binger Hermann has been invited to accompany President Roosevelt as a guest from Salem to Portland on the 21st. This invitation given below is conclusive evidence that the President is heartily in sympathy with Mr. Hermann's candidacy and that there is absolutely no truth in the circulated report of opposition to Mr. Hermann by the President.

To Hon. Binger Hermann, McMinnville Ore: The President will be pleased to have you join his train at Salem and ride with him to Portland.

Wm. Lobb, Jr. Secretary to the President.

It is hardly reasonable to suppose that even one Republican in this district ever gave a moment's credence to the fake Democratic story of a disagreement between the President and Hon Binger Hermann, but if there was one he would certainly change that belief, now that the President has not only expressed his desire to have the commissioner elected to Congress but has signified his friendship by this invitation.

COTTAGE GROVE AWAKE

A Large Crowd out to see the President's Train.

BAND PLAYED GOOD MUSIC.

Cottage Grove with its characteristic get up and hustle greeted the president with music and cheers as the train slowly passed through the yards at 5:25 yesterday morning. A large crowd of people was at the depot to get a glimpse of the cars carrying the nation's chief executive and of the hero of San Juan should his train stop. As the train passed the depot the C. M. A. band played the beautifully patriotic air "The White House March." The engine pulling the train was beautifully decorated with Oregon flowers and showed good taste as well as pride and patriotism on the part of the crew. The train consisted of six cars all very plain without any decoration.

Mr. Joseph Pominville, of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble, without relief, was advised by his druggist, Mr. Alex Richard, to try a bottle of Chamberlain's Stomach and Liver Tablets. He did so, and in a well man today. If troubled with indigestion, bad taste in the mouth, lack of appetite or constipation, give these Tablets a trial, and you are certain to be more than pleased with the result.
