

OREGON INFORMATION BUREAU.
A. LeRoy, representing the Oregon Information Bureau, and, incidentally, making a tour of the state with the view of collecting exhibits of the various products of Oregon, which will be given ample space in the elegantly arranged cabinets and rooms of the bureau, at the Union depot, Portland, was in the city Saturday and Sunday. Mr. LeRoy speaks very enthusiastically of the great state of Oregon and says he has already secured some splendid exhibits, especially fruit, grain and timber. He compliments the Lane county exhibit very highly, in all but its mineral exhibit. It was Mr. LeRoy's purpose to arrange for a fine exhibit of Bohemia ores, that he stopped here. It is understood that he secured several fine specimens while here and that arrangements are being made to have Bohemia well represented at the bureau. Every effort should be made to secure a good mineral display. It is one of the best advertisements that can be had.

LANE MEDICAL ASSOCIATION.
From all reports the Lane County Association, which held its annual meeting in Eugene last week, was a successful and instructive one to the medical profession of Lane county. Dr. Chesbrough, of Eugene, was elected president for the ensuing year, and Dr. Wall, of Cottage Grove, secretary. The executive board for the ensuing year is made up as follows: Dr. Job, of Cottage Grove, and Dr. T. T. Woods, of Eugene, of Portland, secretary of the State Board of Health made an interesting address on Modern Quarantine in which he set forth in a very instructive manner the methods of quarantine as adopted by the National Quarantine Association. Dr. Wall of this city, also read an instructive paper on Chronic Bright's Disease. The meeting was brought to a close in the discussion of an excellent banquet at the Hotel Shesman.

TO THE HOT SPRINGS.
Norman Hickey, foreman for F. J. Hard on the Vesuvius and Oregon Colorado, who has been steadily at work for over a year now, came in from the mines a few days ago, accompanied by his wife and little ones. Mr. Hickey is badly crippled up with rheumatism in the hips, knees and shoulders. He tried to stay with his work until Mr. Hard returned from the east but his case became so aggravated that he had to come out, meeting Mr. Hard here. Wednesday morning Mr. and Mrs. Hickey left for Ashland where Mrs. Hickey's parents reside. From there Mr. Hickey will go on to the hot springs in California where he hopes for relief. His many friends will be pleased to learn of his speedy recovery.

SPECIAL COUNCIL MEETING.
The council held a special meeting Monday evening at the carnival. It was first decided to charge \$25 per day, but when it was clearly understood that the license had to be met by the band boys out of that organization, the council decided to charge \$100 per day for four days. This is said to be the bare running expenses of the city during the week. It is also said that the council decided to put on five extra policemen, owing to the "gang of four things," and confidence people who follow the show up. The police force for the week is as follows: Chief, R. A. Underwood; policemen: Marion Ernst, Dolph Eberick, Bert Lawson, J. R. Brown and F. Foley.

HEPPEP BENEFIT.
Woodmen of the World and the Woodmen of the World Circle are this week doing a very worthy and commendable thing. At their last meeting they decided to give a benefit for the Heppep sufferers. Accordingly it was voted that they establish quarters on the vacant lot on the east side of Wheeler & Phillips streets and erect a building during the carnival with the view of giving the proceeds to the Heppep sufferers. The lodges also voted \$20 from their respective general funds which was sent to Heppep, Juvettus Lodge, No. 8, K. of P. also contributed \$25 to the Heppep fund through Don Lodge No. 20.

L. O. O. F. DISSEMINATION.
The L. O. O. F. Lodge of Lane, assisted by the Rebekahs of that place, had a rousing good time last Wednesday. The features of the day were the dedication of the Odd Fellows hall at Lane. A good program was in evidence, and Judge Walton of Eugene, delivered an address. In the evening the Rebekahs took charge of a fine and enterprising entertainment. The number present was about 100, many of them being guests from the several lodges in Lane county and a number from Douglas county. Among those present from Eugene were Messrs. Walton, Frank, Green and Chessman.

OREGON PIONEER MEETING.
Among those who attended the Oregon Pioneer meeting at Portland, Wednesday, June 22, were C. G. Force, Clara Veach and wife and Vera Veach. Mr. Force says it was one of the pleasantest events in his life. He compliments Portland for her hospitality. It is evident that it seems there is nothing to good for a guest of Portland. Mr. Force states that at the banquet only pioneers and their families were present, and that there were 800 chairs around the banquet hall which were filled twice and nearly filled the third time. From this some idea of the number of pioneers present can be gathered.

LOWE'S FINE FRUIT.
Miss Shull, of Walla Walla, who has been stopping at the H. C. Madison for several days, accidentally left her purse in a chair in the parlor, last Wednesday, while she was at lunch. Upon her return it was not to be found. Some light fingered govt had taken it, and all that was left was not much money in it, however, but the purse contained a deposit check of \$1,000 in a Walla Walla bank.

FINE BERRIES.
The Nugget is indebted to C. S. Keyes who relays up the Coast Fork, for a couple of boxes of fine strawberries as has been marketed in Cottage Grove this season. Mr. Keyes has 1200 plants from which he has already picked 900 lbs. of the crop will run nearly if not quite to the 1200 box mark, averaging a box to the plant. The Nugget extends thanks for the fine treat.

If it wasn't for the confounded trash, both white and black, and the "sure thing" feeds that follow the big shows, a carnival wouldn't be so bad, but there's the rub.
