FRIDAY, AUGUST 21, 1903.

Cottage Grove, by reason of some agitation, has undertaken to make the business houses close their doors on Sunday. Every one naturally, in a Christian community feels a respect, not only for the sabbath, but for those whose religion teaches them that Sunday should be held sacred as the Lord's day.

DIVIDE ITEMS.

Mrs James Hawley and family returned last week from an extended sojourn in California. They came by easy stages stopping at various points and will now probably remain here permanently.

The Chapman and Hohl sawmill closed for a few days while making alterations in the machinery.

The train killed ten of James Hawley's sheep last week which had gotten through the fence and were feeding on the track.

Mrs Dunten returned Sunday from a short visit to Drain and is again staying with her mother Mrs A H Coffin.

Orville Taylor, of Cottage Grove, was out here Sunday taking in the ball game.

The hay press is nearly through work here while threshing began Monday and will soon be finished.

This hot weather is drying everything up and the roads are getting very dusty.

From the looks of the school house wood shed and the back stop on the ball ground looks like the circus was coming to town.

The matched game of base ball Sunday between Divide and Anlauf on the formers' own ground was a fast one, the first seven innings being played through in short order. The score at the close of the ninth inning was 13 to 13 so another was played the score then being Divide 18 Anlauf 16.

ITEMS FROM SILK CREEK.

Aug. 19. Wm. Medley returned Sunday evening from Springfield, where he has been working with the rock crusher.

Mrs Watkins, of Tacoma, Wash., who was the guest of relatives here, is visiting at Lorane.

Miss Lizzie Boren is home from Oakland for a short visit with her parents.

Rev Bryan and son, Arlie, made a business trip to Silk Creek Monday.

C W Caldwell and wife are enjoying a visit with their daughter, Mrs Ora Ray, of Berlin, Ill., who arrived on the 3 p m train last Sunday, accompanied by Mrs Caldwell's sister and husband, Mr and Mrs Jos Dickerson, of Curran, Ill. Prof I C Caldwell of Philomath college is also visiting here.

Elder Ford will beat Lorane the last Sunday of this month for morning services; will hold services at the school house here at 4 p m, and services at Cottage Grove at 8 p m of the same day.

HOPS SELLS AT 20 CENTS.

Two lots of hops were sold under contract, near Salem last Monday, one for 20 cents and one for 19c, and despite the report that has been current during the summer to the effect that hops would sell at 10 and 12c. Contracts are now being closed as rapidly as growers can be induced to act, at 20 cents per pound. This is said to be the highest price paid for many years and hop growers should be slow about closing contracts as the price may yet go much higher.

NOT OVER-WISE.

There is an old allegorical picture of a girl seated at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone collar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by Benson Drug Co.
