As often said of the historic race, off the final race, and after the outcome had been admitted by even Sir Thomas Lipton to be a foregone conclusion.

Yesterday's was the eighth attempt o sail a race. After one fluke, the Reliance won the two following races, one by seven minutes and three seconds, and the other by one minute and 19 seconds. On these occasions the Reliance led the Shamrock to the finish line by two miles, but failed to reach it before the expiration of the time limit of five and a half bours.

Yesterday's victory means that the up is destined to remain in America until England is able to produce a genius equal to Herreshoff in yacht design-
