FRIDAY, NOVEMBER 6, 1903.

For some time the lumber business of the several great mills in Oregon has been fearfully handicapped by reason of the inability of the Southern Pacific to furnish cars to meet the hauling demand. The reason for this condition is alleged to be the wrangle in which the Southern Pacific and the Santa Fe have engaged in the matter of handling shipments destined to Eastern markets. In entering this competition with the Santa Fe the Southern Pacific found it necessary to call off much of its rolling stock from the Oregon line. In doing so the lumber trade of Oregon, particularly, was greatly retarded, so much so that many mills were obliged to shut down, at least to reduce their output 50 per cent. A telegraphic dispatch under date of Nov. 2, announces that a traffic agreement has been quietly effected between the two companies, and that while "The terms of the agreement are not positively known, they are said to be the use of the Santa Fe cars by the Southern Pacific Co. in California and Oregon, and the hauling to Santa Fe points where freight can be readily taken East." This means much to Oregon, and particularly does it mean much to Cottage Grove. Here is the center of heavy movement in lumber and timbers, and since this railroad squabble has been going on we have seen a heavy decline in lumber affairs locally. The Long & Bingham Co. some weeks ago practically gave up running full time. The Pacific Timber Co., which deals largely in the shipment of piling and heavy timbers found it impossible to get cars, hence the business of the company was greatly reduced. The dropping off of the business of these two large concerns was noticeable here, for the reason that their payrolls were lightened in all branches of the business. The congestion brought about by the railroads locking horns reached even into the remote logging camps. As soon as the decks of the saw mills were congested with lumber, the log ponds filled up, and then the dump grounds. Then something had to drop, and of course it had to be the payrolls. It is to be hoped that the dispatch incorporated in this article is authentic.

The public debt October 31, less cash in the United States treasury, amounted to \$920,000,000, and increase for the month of \$2,500,000. And still some of us wonder why the young American does business on the credit system and is continually dealing in futures. He can't help it any more than a duck can help swimming. Its born in "im"—his uncle Sam has set the example before him. And who would not follow uncle Sam, anyway?

Some of the papers are publishing pictures in which is given to the view, various kinds of animals, birds, etc., inviting the public to find one or more that are secreted in the general lines of the picture. For a change it might be well to print the pictures of some men of which the public has read and invite the readers to successfully locate their brains.

From the way the Eugene papers are howling about the foot ball game of last Saturday in which the Cottage Grove High School team gave the Eugene High School team a sound drubbing to the tune of 10 to 5, it would appear that there are a few sore heads down about the county seat town.

**HOME TEAM VICTORS**

High School Foot Ball Team of this City defeats Eugene last Saturday.

SCORE STOOD 10 to 5.

Saturday afternoon the most exciting foot ball game ever witnessed in this city was played between the Cottage Grove High School team and the Eugene High School team. The Eugene team was the only one successful in defeating Cottage Grove last year and the home boys were determined to return the compliment this year, which they did Saturday in a very neat manner.

The score was 10 to 5 in favor of the home team, Eugene scoring one touch down on a fluke in the second half. The ball was punted by Eugene from the center of the field and full back Hill of the Cottage Grove team missed the punt. It passed over the goal line and was secured by a Eugene player. Umpire Ford, of Eugene, claimed Hill touched the ball and counted a touch down for the Eugene team. At no time was Cottage Grove's goal in danger. The entire game was played in Eugene's territory. Cottage Grove's line seemed invincible. Half back Harms made the Star play of the game by breaking through Eugene's line for a touch down near the middle of the first half, making a 45 yard run. Knox the other Cottage Grove half also played a star game. Fullback Hill and Quarter Emmerson were very much in evidence. Finerty at center is hard to beat. Allison and McKibben as tackle, Hawley and Martin as guards made a strong combination for the line. Last but not least by any means, Taylor and Griffin, the ends, carried the ball for a pretty little gain of 20 yards, each.

Crabtree, Kesley, Farrington and Dillard played good ball for Eugene.

A reception was tendered the visitors in the evening.

**DIVIDE ITEMS.**

The Rev. Mr. Morse preached here last Sunday.

Wasn't last Saturday night Hal-lowe'en night?

Albert Chapman and wife were visiting here last week.

Miss Uleedo Brigg returned Sunday from a visit to friends near Loraue.

Seth Rowe and wife, of Eugene, have been visiting friends here. Mr. Rowe was formerly a resident of this place.

Mr. Jacob Gelwitz, who had the misfortune to dislocate his right ankle a short time ago, is getting along nicely but it will be some time before he can walk.

W. W. Tucker, Reuben Tucker, B. H. Lee, A. Soderstrom and E. F. Smith left here last week saying that they were going fishing at Scottsburg. We will tell you more about it next week.

The Hold saw mill here is having more trouble. Mr. Frank Chapman has quit occupying his position as engineer while several others have left. The mill is now in fairly good shape, having two main saws, one cut off saw, edger, etc., and is capable of cutting from 12,000 to 16,000 feet per day.

**FIRST OF LECTURE SERIES.**

The first of the Public School Lecture Series, which has been arranged by Professor Briggs, will open November 7, with the famous poet and platform entertainer, Edmond Vance Cooke. Mr. Cooke is known throughout the United States and is greeted with rousing houses. Speaking of him the Detroit (Michigan) Evening News says:

"Cooke while a poet of purely American ideas, is in the broader class, and does not confine his writings to any particular environment. In this respect he differs from James Whitcomb Riley. Mr. Cooke has the advantage of being an accomplished actor, and recites his poems with a fine and natural art. His impersonations in stories of the stage showed great talent, and the poems, under the title of Notable Narratives, are gems."

**NEURALGIA PAINS.**

Rheumatism, lumbago and sciatic pains yield to the penetrating influence of Ballard's Snow Liniment. It penetrates to the nerves and bone and being absorbed into the blood, its healing properties are conveyed to every part of the body, and effect some wonderful cures. 25c, 50c, \$1.00 at New Era Drug Store.

**THE OLD RELIABLE**

**Absolutely Pure THERE IS NO SUBSTITUTE**

FROM SOUTH AFRICA.

New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman writing from Durban, Natal, South Africa, says: "Ah a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, per you the following. A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby. The remedy is for sale by New Era Drug Store."

CHAMBERLAIN'S COUGH REMEDY IS PLEASANT TO TAKE.

The finest quality of granulated loaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and the flavor similar to maple syrup, making it quite pleasant to take. Mr. W. L. Roderick, of Pootersville, Md., in speaking of this remedy, says: "I have used Chamberlain's Cough Remedy with my children for several years and can truthfully say it is the best preparation of the kind I know of. The children like to take it and it has no injurious after effect. For sale by New Era Drug Store."

ONLY MAKES A BAD MATTER WORSE.

Perhaps you have never thought of it but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and the use of drastic cathartics like the old-fashioned pills only makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effect, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25c bottle of them. For sale by New Era Drug Store.

CURED CONSUMPTION.

Mrs. B. W. Evans, Clearwater, Kan., writes: "My husband lay sick for three months. The doctors said that he had quick consumption. We procured a bottle of Ballard's Horehound Syrup, and it cured him. That was six years ago, since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal." 25c, 50c, \$1.00 at New Era Drug Store.

DISASTROUS WRECKS.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from Throat and Lung troubles. But since the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured, and hopeless resignation is no longer necessary. Mrs. Louis Craig, of Rochester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung diseases by New Era Drug Store. Price 50c, and \$1.00. Trial bottles free.

A RUNAWAY BICYCLE.

Terminated with an ugly cut on the leg of J. B. Orner, Franklin Grove, Ill. It developed a stabsore near my-fingert to doctores and remedies for four years. Then Bucklen's Arnica Salve cured. It's just as good for Burns, Scalds, Skin Eruptions and Piles. 25c at New Era Drug Store.

DOESN'T RESPECT OLD AGE.

It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect pill. 25c at Drug Store.

BEST LINIMENT ON EARTH.

Henry D. Baldwin, Supt. City Water Works, Shullsburg, Wis., writes: "I have tried many kinds of liniment, but I have never received much benefit until I used Ballard's Snow Liniment for rheumatism and pains. I think it the best liniment on earth." 25c, 50c, \$1.00 at New Era Drug Store.
