T. A. Wood, of Portland, has been discharged from practice before the

Congressman Jones, of Washington will introduce a bill giving Alaska a temporary government.

The sea dredge Chinook has arrive at the mouth of the Columbia river and will commence work at once.

The German mall steamer Dulsberg has been wrecked near Lisbon, Spain. Most of the passengers were saved.

A reward of \$5,000 is offered for th arrest and conviction of the persons he wrecked the Santa Fe train at

A petition signed by a large nun of Filipinos has been received at the navy department asking for the establishment of a gun factory near

In the state elections just held the democrats elected the mayor of Gre er New York, and governors in Kentucky, Rhode Island and Maryland. The republicans carried Ohio, Massachusetts, New Jersey, Pennsylvania, Colorade, Iswa and Nebraska.

A blaze at the vatican, Rome, de stroyed \$50,000 worth of property.

Nearly 3,000 men are idle at Lorsin Ohio, because of the shut-down of the large steel plant there.

Postmaster General Payne will ask for about \$15,000,000 more than the last congressional appropriation

A conflict with Russia is regarded by Japan as sure, sooner or later, and she will not yield one point in the

present controversy. Rear Admiral Endicott, chief of the bureau of yards and docks, recommends an appropriation of \$140,000 cates that the blockade has been for the Puget Sound navy yard.

CHINESE ENRAGED AT RUSSIA

Some Members Urge War for Reoccupation of Mukden.

Pekin, Nov. 9.-Yuan Kai Shai icercy of Chi Li province, who, as cabled to the Associated Press yes terday, was dispatched to Mukden by the Dowager Empresa with instruc ions to investigate affairs there and f possible to arrange a settlement with the Russians, did not go any further than Tien Tein, which he reached vesterday evening. It is now consid ered doubtful whether he will go to

Mukden at all. The Chinese are more enraged at the Russan proceedings at Mukden than they have been by any events the hot headed members of the Council have advised the Dowager Empress Democrats have selected John S. to declare war on Russia, and send troops to release the Tartar General whose detention at Mukden, growing has out of the decapitation of the Chinese The republican house caucus has out of the decapitation of the Chinese unanimously selected Joseph G. Cab-bandit, who had enlisted in the Russian service, but who fell into the Great Britain was surprised at the conditional prevolution given the Colombian revolutionists by the United States.

Chinese susceptibilities, since it is considered to be not only an insult to a high official, but as insulting to the Chinese government itself.

Russia. Their counsel has hitherto baseless war talk in the native press

WON'T PROTECT AMERICANS.

Cuban Aicaide Disposed to Quibble Over

Hayana, Nov. 9 .- There seems to b ensiderable disposition on the part of a number of Cuban government of ficers to cause trouble to American inerests in the Isle of Pines Archipelato. Several natives said to have been aspired by Cubans, some of whom re believed to be in the government employ, are endeavoring to institute ults to question titles to realty in the sle of Pines Archipelago, acquired by Americans prior to the signing of the squires-Palma treaty, which provided or the cession of the lale of Pines proper to Cuba, as a quid pro quo for onling stations at Bahla Honda and

dantanamo. The Cuban alcaide, or sub-governo of the Isle of Pines, has refused to end police protection asked by American settlers in several of the small keys adjacent to the Isle of Pines, on the ground that, according to a strict interpretation of the treaty, these keys were no ceded to Cuba, and ama. hence are not entitled to the police protection asked from the Cuban gov ernment.

URGES ALAEKAN CABLE.

General Greety Recommends a Line From Values to Sitka.

Washington, Nov. 10.-Based upor recommendation contained in the annual report of General A. W. Greely, chief signal officer of the army ,an atempt will be made at the coming session of congress to secure an appropriation for a submarine telegraph cable to run from Valdes to Sitka, Alaska.

General Greely urges the appropriation of \$321,586 for the construction of this cable, and gives as a reason for the expenditure the fact that this last link in the government telegraph system of Alaska is needed to give an all-american line connecting with every

American line connecting with every

To run from Valdes to Sitka, Alaska, Alask part of Alaska in order to do away with the necessity of utilizing Canadian lines. Secretary Root, in his annual report and estimates, is expected to indorse General Greely's recom mendation.

Diplomatic Agent Named.

Panama, Nov. 10 — M. Philippe Bunau-Varilla has been appointed di-plomatic agent of the Republic of Panama at Washington. He is one of the financial agents of the Panama Canal Company. His first official act was to officially notify the junta that the United States has recognized the he United States has recognized the le facto government of Panama. The News has caused great rejoicing here nd was telegraphed throughout th country. Preparations are being made to colebrate the event with great enthusiasm. M. Philippe Bunau Varilla is now in New York,

London, Nov. 10.-Telegrams from Shanghal say the Grand Council a Pekin has issued a circular to the decroys and governors declaring a upture with Russia is inevitable, and rging them to raise funds and tro ost at Chefoo, reports that the con entration of Russian troops in South rn Manchuria is proceeding, and ex-renses doubt as to whether Russia as capacity for coaling, docking and naintaining the enormous fleets she a accumulating in Chinese waters.

May Use Force With Porte

May Use Force With Porte:

Constantinople, Nov. 10.—In consequence of the Porte's reply, pleading the superfluity of the new reform scheme for Macedonia, on the ground that Turkey is carrying out the proposals previously agreed to, ft is believed that Austria and Russia will send an ultimatum giving the Turkish sovernment a fixed term within which covernment a fixed term within which to accept the proposals, and that in the event of another refusal, the two powers will take steps to compel Turkish action.

Blockade is Raised. Washington, Nov. 10.—Captain Briggs, of the cruiner Baltimore, ca-bled the navy department today from Puerto Plata, on the north coast of WAITS ON AMERICA

BRITAIN WILL LET HER PASS ON IN-DEPENDENCE OF PANAMA.

There is a Strong Feeling That it Would ed States to Preserve Order Among Will Indorse Our Action,

London, Nov. 9 .- The British office tals' attitude toward the events at Panama is that it is entirely the United States affair. This feeling, with the consequent comparative since the capture of Pekin. Some of apathy, sppears to be shared in all diplomatic quarters in London. Except in the unlikely possibility of some out side interference, no action is contemplated by the British, or, so far as the Associated Press is able to ascertain, at the various Embassies here, by any other government. Upon request of the British diplomatic or consular representative in the disturbed region a war vessel would be sent to protect Chinese susceptibilities, since it is the rights of subjects of Great Britain, but such a request would not be States is sending to the isthmus is more than sufficient to maintain the safety of the foreign residents.

The question of the recognition of 'anama's independence entirely de lit to fix this portion of the boundary sends on the action of the United with any degree of satisfaction. States. If Washington communicates to the powers that it intends to recognize the independence of Panama, it s not likely that there will be the slightest objection on the part of Great Britain, while, according to the ylews of the diplomats here, the other European powers probably will quick-

There has long been a strong feel-ing in British official circles that it would be an excellent arrangement if the United States would undertake the preservation of good order and the talked everywhere upon the streets, stability of all the Central American Evidently, the government has known stability of all the Central American states. This feeling is well known to the American diplomats in England. At the German Embassy, here, a representative of the Associated Press was informed that there was not the faintest likelihood that Ger-many would take any steps in the matter. If the United States is sat-isfied to recognize Panama's inde-

AMERICA FOR IT.

President Sends Orders Recognizing New Panama Government.

Washington, Nov. 9 .- The United States government has recognized the ic facto government of Panama. It was announced at the state depart ment after the return of Secretary Hay rom the cabinet that instructions had een sent to United States Minister leaupre at Bogota, assuming that he Ehrman, the United State vice-consul churia unless China promptly dismis-

was present except Secretaries Root and Wilson. The president empha-dized the importance of the recognion of the de facto government. With the withdrawal of the Colombian of ficials, the isthmus was left entirely without a government unless that established by the secessionists should be recognized, and this step seemed necessary for the transaction of the routine business of the United States on the isthmus.

America Heads the Navy

The provisional government has al-teady organized the military to be commanded by General Domingo Diaz. All the soldiers forming the division fought with the government or liberal army during the last revolution.

To Exclude Foreign Ships.

Havana, Nov. 9.—The importers and exporters of Cuba have sent Mr. Place, one of their number, to Washington, as their representative to endeavor to have the reciprocity treaty with the United States so framed that the bene-its to be derived will accrue only in the case of goods exchanged in Cuban and American bottoms. This is in-tended to exclude English, Spanish and German trade, carried in vessels of any of these nationalities, from the results of reciprocity between the United States and Cuba.

London, Nov. 9.—According to the ape Town correspondent of the Cape Town correspondent of the Daily Mail, the Bondelzwar tribesmen. ho are engaged in a native rebellion n Demaraland, succeeded in captur-ng Warmbad, a German fort. They surned the fort and village, massacrd all the Germans and took the Engdish families prisoners. A relieving plant. Force from the north engaged a large cody of the natives and heavy fighting nsued, the result of which is not

DID NOT FIX LINE.

Alaska Commissioners Let One Stretch Go-No Data to Work On.

Washington, Nov. 7 .- Contrary to the general understanding, it develop ed in Washington today that the Alas kan boundary commission, recently in session in London did not finally lo Be a Good Arrangement for the Unit- cate the entire boundary line between British and American territory, but a All Central American States-England stretch of over 139 miles between Kate's Needle and the Devil's Paw two prominent mountain peaks lying southeast of Skugway, is yet to be definitely located. Because of the failure of the commission to determine the location of this line the joint surveying commission that will be chargrecently determined will be unable to

Porte Absolutely Rejects Plan.

London, Nov. 7.—The Constantinople correspondent of the London Daily Mail writes the sultan has absolutely Mail writes the sultan has absolutely cure the defect in the taxation law, but a special election will be necessial at Carthage, Ill., in which Joseph and Rusia, demanding that the Macelonian reform be caried out under the filled before the session is held, according to the language of the constitution.

HAPPENINGS HERE IN OREGON

HOLD ON TO YOUR PRUNES.

Advice Given to Growers by ex-Commissioner Reynolds.

Balem-"Prunegrowers who have for a price that will give them a fair profit," says Lloyd T. Reynolds, forthe second district.

"Dealers are around offering to pay a basis price of 1% cents. Probably a ed with marking off the boundary as majority of the prune crop this year recently determined will be unable to operate over this stretch of territory, which is about one-fourth of the entire length of the boundary that has long been in dispute.

It so happens that the country lying between Kare's Needle and Dovl's letter of the fourth of the figures.

"The condition of the fruit market does not warrant such low prices. France had a very short crop and is determination of the actual location
of the boundary is therefore of no immediate importance, but should mines

buying prunes heavily in this country.
The dispatches from New York tell usthat the packing houses in this country
mediate importance, but should mines ain, but such a request would not be encouraged, as Downing street is of the opinion that the force the United States is a collection of the dispute that has existed states is sending to the isthmus is The all over Southeastern Alaska since the discovery of gold in the territory.

The boundary commission did not on why prunegrowers should no ceive a fair price, if they will ask for

"It seems to be certain that all the primes will be wanted and the proper course for the growers is to wait until a living price is offered. I do not advise holding for speculative prices but for a living price. Oregon prunes this year are of first-class quality and they give satisfaction wherever sold.

Reseburg — The Keileber-Rkelley Lumber Company has Just been in corporated here, by W. J. Kelleher. John K. Skelley and W. H. Sykes with a paid up capital of \$50,000. The comprunes this year are of first-class quality and they give satisfaction wherever sold.

ASK FOR EXTRA SESSION Montanana Want Legislature to Remedy

Existing State of Affairs. Butte, Mont., Nov. 5 .- A Helena dispatch to the Miner says that petitions from all sections of the state are pouring into the governor's office asking that an extra session of the legislature be called to remedy the state of affairs existing in Montana as a result of the auspension of the Amalgamated mines and smelters. Governor Toole as yet has made no announcement as to his determination in the matter.

A move is on foot to have a memor ial presented to the legislature, in the event it is convened in extra session sking that body to submit to the voters of Montana an amendment to the con-sitution providing that eight hours constitute a workday for miners and

smelting men.
Notwithstanding Mayor Mullin's or der, every gambling house in the city was open all night. The four big establishments were notified to close at midnight, but they paid no attention to the order. Long after 12 o'clock and until an early hour this morning

the houses did a rushing business. President William Scallen, of Anaconda mining company, and F. Augustus Heinz, both deny that any negotiations are on for the purchase of the Heinze properties in Butte. This denial followed a report emanating from Boston to the effect that Mr. Heinze had been offered \$15,000,000 for his Butte mines.

PANAMA REVOLT.

Independence of the Isthmus Has Been Proclaimed.

Panama, Nov. 5.—The independence of the Isthmus was proclaimed at 6 m. today. A large and enthusiastic rowd of all political parties assembled and marched to the headquarters in the name of the Republic of Panama. The enthusiasm was immense, and at least \$000 of the men in the gathering were armed.

The battalion of Colombian troops at Panama favors the inovement, which is also thought to meet with the approval of at least two of the govern-ment transports now here. The seeming inacivity on the part of

he government in not preparing some lefense when rumors of the uprising secame rife are looked upon as show-ing confidence in the reports made by Jeneral Obaldia, the governor of the epartment of Panama, who issued a canifesto thanking all political parties or the adhesion promised to the government when it was reported a heavy orce was marching in the vicinity of

Penameme. The streets of Colon today presented somewhat the same appearance as during the days of the revolution. Several hundred troops, who arrived Several hundred troops, who arrived today from Savanilla on the Colombian gunboat Cartagena, with their wives, are squatted on the street corners. The battation consists of 450 soldiers,

Victoria, B. C., Nov. 5 -- A report has een made to Captain Gaudin, Agent of Marine, that a submerged wreck, seemingly of an Iron vessel, has been ound lying in 25 fathoms of water off Amphritite Peint, Barciay Sound, Fishermen have come in contact with the wreck when trolling and the fact that their lines, when cleared, showed ust and iron stains, indicates the

ruat and from stains, indicates the pos-sibility of it being an iron vessel. The vessel is five miles from shore. Captain Gaudin has communicated with Admiral Bickford, commanding the station, intimating a possibility of the wreck being that of the British warship Condor, which foundered in

Douglas, Wyo., Nov. 5,-John Morton, a member of the Douglas posse, says the Indiana who shot Sheriff Miller and a deputy in a bloody battle Satorday have separated, and each party is taking a different trail. The posse was unable to follow the lead, and the pursuit was temporarily abandoned. It is the opinion of many of the officers that the relakins cannot be caught until they return to the reservation, and as fast as they come into the Pine Ridge agency they will be taken into constant taken into custody.

Dowicitzs Again at House. Chicago, Nov. 5 .- Weary and travelstained, John Alexander Dowie's "Restoration Host" today returned to Zion City from New York. It was near midnight before the last of the eight spectal trains bearing the returning folowers of Dowie reached home. The return of the host was made the occasion of a holiday in Zion City, and as each train reached its destination the travelers were given a rousing wel-come by the members of the colony who had remained at home.

Fire Causes Million Loss.

Albany, N. Y., Nov. 5.—Fire which started tonight on the Citizens' steamharried tonight of the boat pier at Troy raged for two hours before it was under control, and de-stroyed several large buildings on before it was under control, and de-stroyed soveral large buildings on River street between Breadway and Second streets, including the beautiful Altura Hall, which alone entails a loss exceeding \$300,000. All tolegraphic communication throughout Troy was crippled for an hour. The loss will exceed \$1,000,000. No loss of life or injuries to persons are reported.

Russin Sees Peace at Hand. Russia Sees Proce at Hand.

Paris, Nov. 5.—M. Savinsky, secretary of Count Lamedurf, the Russian Minister of Foreign Affairs, in an interview this evening said Russia desires general peace in both the near and far east, and is not anxious for any protext for a chash with the Mixado's forces, as some of the linguistic press, would try to show. A soluistic press would try to show. A solu-tion of problems that have been pus-aling the two countries, the secretary says, is near at hand,
