you want butter that is always
fresh and full weight, just order a
square of your grocer.
To relieve muscular strain of the
eyes that rob the vigor of the rest of
the body, use Dr. Lowe's glasses.
He puts the cream of over 17 years
experience into them. They are in-

vision. Do not procrastinate in the
matter of having your eyes exam-
ined.

The heavy rain storm that has pre-
vailed for the past two weeks has not
been without some good results.
Chief among is the moving of the
large bodies of piling belonging to
the Pacific Timber Co. of this city,
which has been lying up all summer
in the Coast Park and the Mosby
In Mosby creek above, this company
has some 2,500 of its pretty sticks as
has ever been turned out in Oregon,
and now if the company can secure
cars to move its product to market
the timber conditions of this section
will look much brighter.

You can look about you here in
town and see the flowers in bloom,
the garden vegetables growing, the
magnificent foliage of trees, and
then cast your eye over the foot hills
and see heavy snows, the result of
the recent storms. It is a beautiful
contrast and one that would fascinate
the man from the frozen north.

are happier and have more to return
"Thanks" for this year than last.
However, it is not yet too late for
others. Is a home, a home, without
an organ or piano? Why refuse the
loved ones, when either can be had
at prices and on terms within your
reach. Look and see. At home in
our new room, Dr. Schiefel Bldg. after
Nov. 30th, Richardson Music House.
