**FIGHT WILL BE BITTER.**

Those who will persist in closing their  
 ears against the continual recommenda-  
 tion of Dr. King's New Discovery for  
 Consumption, will have a long and  
 bitter fight with their troubles, if not  
 earlier by fatal termination. Read what  
 T. R. Beal of Beal, Miss. has to say:

"Last fall my wife had every symptom  
 of consumption. She took Dr. King's  
 New Discovery after everything else had  
 failed. Improvement came at once and  
 four bottles entirely cured her." Guar-  
 anteed by Morgan & Becham, Druggist.  
 Price 50c, and \$1.00. Trial bottles free.

**CLIMATIC CURES.**

The influence of climatic conditions  
 in the cure of consumption is very much  
 overdrawn. The poor patient, and the  
 rich patient, too, can do much better at  
 home by proper attention to food diges-  
 tion, and a regular use of German  
 Syrup. Free expectoration in the  
 morning is made certain by German  
 Syrup, so is a good night's rest and  
 the absence of that weakening cough and  
 debilitating night sweats. Restless  
 nights and the exhaustion due to  
 coughing, the greatest danger and dread  
 of the consumptive, can be prevented or  
 stopped by taking German Syrup liber-  
 ally and regularly. Should you be able  
 to go to a warmer climate, you will find  
 that of the thousands of consumptives  
 there, the few who are benefited and  
 regain strength are those who use Ger-  
 man Syrup. Trial bottles, 25c; regular  
 size, 70c. At all druggists, German &  
 Hemenway Co.

### GERMAN GLEANINGS.

Although there has been a diminu-  
 tion in recent years in the number of  
 the blind in Prussia, it is still over 21-  
 000.

In a recent after dinner speech the  
 chancellor of the German empire said  
 that next year 750 years will have  
 elapsed since the first mention of the  
 Von Bulow family.  
 The latest novelty in advertisements  
 in Berlin is a handsome placard placed  
 in the electric cars bearing the names  
 of a number of firms and in the center  
 an ornamental clock.

The popularity of Germany's railway  
 minister, Herr Budde, is illustrated by  
 the fact that nearly 20,000 laboring  
 men bought his latest portrait, a litho-  
 graph costing 15 cents.

It is asserted that the savings bank  
 system is more highly developed in  
 Berlin than in any other civilized city.  
 There are twelve of these banks, with  
 ninety-four branches, and in the prin-  
 cipal building 6,000 persons are on  
 some days attended to in six hours.

### ENGLISH ETCHINGS.

In Southwark, the smallest London  
 borough, there were more lunatics last  
 year than in any other metropolitan  
 borough.

 Prevention of Cruelty to Children now  
 has 500 centers of work in operation,  
 fifty having been added last year.

The wagons of the London fire com-  
 panies are to be supplied with bells so  
 that the firemen will no longer be com-  
 pelled to utter cries to clear the streets.

The children in seventeen work-  
 houses in Ireland are now sent out to  
 receive their education in the ordinary  
 national schools, and the system is be-  
 ing extended.

An eminent physician, Dr. James  
 Canlie, reasserts a statement he made  
 some years ago that the Londoner,  
 pure and simple, disappears after the  
 third generation.

### Around the World in Fifty-four Days

In World's Work James Willis Sayre  
 tells how he went around the world  
 in 54 days, 9 hours and 42 minutes,  
 lowering the next previous record by  
 6 days and 3 hours. He covered 19-  
 500 miles, and the trip cost \$819. He  
 used no special trains and made all  
 his own calculations for boats and  
 trains. Mr. Sayre left Seattle for Yo-  
 kohama on June 29. He then crossed  
 Siberia and Russia, visiting Moscow.  
 Thence the route continued by way of  
 Berlin. He reached New York on Aug.  
 15 and was back in Seattle on Aug. 19.

Capt. Luther D. Mahon, of Port-  
 land, Oregon, one of the talented  
 and coming young men of the  
 country will occupy the pulpit of  
 the M. E. Church next Sunday  
 morning. Many testimonials from  
 Eastern states declare him to be  
 of unusual ability and power as a  
 platform orator and preacher. He  
 will address the union mass meet-  
 ing at the Opera House Sunday  
 night. Capt. Mahon is a veteran  
 of the Spanish war.

 of the comrades reside from the
