

That Tired Feeling

It's a sign that the blood is deficient in vitality, just as pimples and other eruptions are signs that the blood is impure.

It's a warning, too, which only the hazardous fail to heed.

A girl signing herself "Finn" writes as follows: For fifteen years I have done my duty by my friends.

When engagements were announced I got up hose and handkerchief showers, decorated for the wedding, and gave more costly presents than I could afford.

When their babies came I gave again. I am getting tired of it, and ask you to inaugurate a Pay Back shower.

I want some of the things paid back, and a new style of Pay Back parties would compensate me for what I have given.

An Ordinary Minked.
Edward L. Adams, representing the United States as Consul General at Stockholm, Sweden, for several years editor of the Rochester Democrat and Chronicle.

While occupying that position he wrote an obituary notice of a neighbor's child, whose trousers had caught fire during a Fourth of July celebration, burning the little fellow so badly that he died in consequence.

Mr. Adams ended his article with the statement that the sympathies of friends would go out to the bereaved parents.

His check next day possibly he imagined when the types made him say that "the sympathies of a large circle of friends will go out to the bereaved parents."

A VENERABLE PASTOR CURED BY PE-RU-NA

Pe-ru-na is a Catarrhal Tonic Especially Adapted to the Declining Powers of Old Age.

In old age the mucous membranes become thickened and partly lose their function.

This leads to partial loss of hearing, smell and taste, as well as digestive disturbances.

Peruna corrects all this by its specific operation on all the mucous membranes of the body.

One bottle will convince anyone. Once used and Peruna becomes a life-long stand-by with old and young.

years old can say it has invigorated my whole system. I cannot but think, dear Doctor, that you must feel very thankful to the all-loving Father that you have been permitted to live, and by your skill be such a blessing as you have been to suffering humanity."

A Bishop's Letter.
T. H. Lomax, D. D., Bishop 2nd Dist. A. M. E., of Charlotte, N. C., writes:

"I recommend your Peruna to all who want strengthening tonic and a very effective remedy for all catarrhal complaints."—T. H. Lomax.

If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

The spring is the best time to treat catarrh. Nature renews herself every spring. The system is rejuvenated by spring weather.

This renders medicines more effective. A short course of Peruna, assisted by the healthy air of spring, will cure old, stubborn cases of catarrh that have resisted treatment for years.

Everybody should have a copy of Dr. Hartman's latest book on catarrh. Address The Peruna Medicine Co., Columbus, Ohio.

Those that dare lose a day are dangerously prodigal; those that dare mispend it are desperate.—Bishop Hall.

During leap year every eighth young man should be equipped with a chapman.
