about their case.

good health. S. S. S. supplies all these, containing as it does ingredients for the purification of the blood and also well-known tonic properties, making it the ideal remedy in cases where the blood has deteriorated, the stomach disordered and appetite has failed.

S. S. S. being a purely vegetable compound, leaves

no bad after-effects, like the strong potash and mineral remedies, which

are bad on the stomach and nerves. A course of S. S. S. now will

fortify the system, and the impurities that have accumulated through

the long winter months are more readily and promptly thrown off, and the warm weather finds you in good physical condition, instead of weak, run-down, tired and debilitated, with no appetite or energy, as

is apt to be the case where the system is neglected and nature left to

find S. S. S. the best. Medical advice without charge to all who write us

If you need a tonic and appetizer, you will

White Buffalo,

Old buffulo hunters of the western Kansas prairies used to tell of having seen and pursued white buffalo. There were white buffala albinos, such ere found at rare intervals in all the families of the animal kingdom, but the number of those which existed in alterative and tonic substances and fact and of those which existed purely in the imagination, says the Kansas City Journal, were in wonderful dis-

eruptions, relieving weak, tired, languid feelings, and building up the whole system—is true only of Hood's Sarsaparilla

cause He has another, or because He has many millions of children. He

Affection.-No man has a moral right to awear before the altar of God that he will be true to one woman, unless he believes that he is absolute master of his affection. If he disbe-lieves, and takes one woman to wife, he is a liar and a hypocrite.-Rev. Frank Crane, Congregationalist, Worcester, Mass.

The Ruin of Nations -Prosperity has been the ruin of nations—Egypt, Syria, Greece and Rome. There is in it a bacillus that tends to overstep prudence-a blunting of fine sensibilities, a lessening of ideals, a treading underfoot of eternal principles of right and justice.-Rev. G. B. Burns, Methedist. Philadelphia, Pa. Dangers.-There are two dangers

which threaten the churches in their relation with the pastors; the people's over estimation of the minister and their underestimation of themselves. The church may have an able minister, brilliant and eloquent, but if be cause of this the people alt down in admiration and congratulation the chariot wheels of truth are choked rather than helped along.-Rev. Richard Turner, Methodist, Philadelphia, Pa.

Nothing New .- The world has been busy eighteen hundred years since John laid down his pen; very busy. The thoughts of men have gone everywhere searching for truth. I want some man to write one sentence of moral of religious truth that is not ingermed at least in what Jesus said and in what, by inspiration, the apostle wrote. They cannot give you on those nes the dot of an "I" or the cross of a "t." And the world is coming to recognize that unique and amazing fact. -Rev. C. D. Foss, Methodist, New York City.

Garlie in Salada.

A way to flavor a salad with garlie in the most delicate manner is to let clove of garile remain for twenty four hours in a quart bottle of saind oil before the latter is used. This gives mproves the salad without overdoing the garlle flavor.
