ALARM IS BEEN.

British Press Sees Peace Hanging

in the Balance. London, July 23.-The authoritative sourances that the Malacca will be released, cabled by the Associated Press from St. Petersburg to the United States, do not appear in the British morning papers. Special dispatches to a somewhat similar effect from St. Petersburg do not allay the alarmist views of the leading organs which construe Premier Balfour's post-midnight announcement that the government had received no confirmation of the reported release of the Malacca to mean that the incident remains unsettled

The incident remains unsettled.

Another cause for great apprelication is the broader question of Kussia's right to send vessels of her volunteer fleet through the Danlauelles. A striking evidence that the danger of the situation has not been mitigated in the least, so far as British official an I pulslic opinion is entertained, is afforded by the Daily Telegraph, which, under a large heading, "An Acute Affair," de-clares that "relations between Great Britain and Russia have reached state of an acute crisis, but behind the incident of the Malarca is the far larger The old Minto trail, which extends question of the status of the so-called

"It has, we believe, been made clear to the crar's government that the trans-tormation of merchant vessels passing through the Dardanelles into atmed cruisers cannot be recognized under any pretext whatever as justifying Russia's interference with British shipping. It is not impossible that as a consession to Russian dignity, the governme t may offer to permit the Malacca to put into some neutral part where her cargo may be examined and the statement verified that whatever munitime she carried were intended for the one of the British China squadron.

TRY TO DRAW TOGO AWAY.

Vladivostok Plect Hopes to Weaken Squadron at Port Arthur.

St Peterbeurg, July 23.—The news of the first appearance of the Vialiv-stok squadron in the Pacific since the outbreak of the war, telegraphed from Tokio, causes no suspense at the admiralty here, although it is said Vice Ad-

Admiral Togo to reinforce Admiral Kamimura, and thus weaken the fleet

off Port Arthur.
The idea that Admiral Bernbrazoff round seriously attack large ports of Japan is, however, rejected, owing to the danger from submarine boats, mines, torpedo boats and shore batter-

The report is current that the Viadivostok squadron is homeward bound under orders to effect a juncture with the first division of Vice Admiral Ro-jestvensky's Baltic squadron, which is eady to go out on a trial trip in the

ON TO MURDEN.
