Obituary.

The sudden death of Mrs. James Thomas on last Friday cast a gloom over many households in the city. Few knew of her illness and the news of her death came as a great surprise to her many friends. She had lived in this community for some years and by her upright life and kindly disposition had endeared herself to those who knew her.

The funeral services were held in the Methodist church at 11 o'clock Saturday and a large number of sympathizing friends of the family were present and accompanied the remains to the cemetery. A voluntary choir sang the following words: "In my Father's House are many Mansions. If it were not so I would have told you." The services were impressive and the grief of the husband and children together with his own sorrow made it difficult at times for the minister to continue.

At the close of the services the remains were laid to rest in the cemetery. Johanna McNamara was born near Green Bay, Wisconsin, August 22, 1858 and was married to James Thomas May 25, 1888. Died at her home in Cottage Grove July 22, 1904, aged 35 years and 11 months.

She leaves a husband and four girls to mourn her loss.

Obituary.

Harry Wertz, who lost his life by an accidental shot from his rifle while out hunting, July 22, 1904, was born in Mitchell county, Kansas, May 11, 1892. He came to California some fifteen years ago, from there to Washington, from there to Cottage Grove four years ago.

He was married to Arminia Pitts July 27, 1894. Four children were born to the union, two boys and two girls.

He was a member of Cottage Grove Lodge I. O. O. F., and was buried by that order. Religious services were held at the M. E. Church, conducted by Rev. C. F. Wallace.

He carried a policy of \$2,000 in one of the Fraternal Societies but dropped it some five months ago. He lived ten hours after being shot.

Obituary.

Some months ago John Barker decided the city cemetery ought to be supplied with water, so that the flower and plants around the graves might be kept in good condition throughout the dry weather. He in accordance therewith started out with a subscription list. The water has been supplied under his management and the following is his report:

REPORT ON WATER PUT IN CEMETERY.

Amount subscribed	\$125.50
Fald Veatch Hardware Co.	\$88.00
Hawkins for digging ditch	25.00
On Sidewalk	9.75
For two tin cups	.25
Not paid	2.50
	\$125.50
	\$125.50

All old soldiers, families and friends are cordially invited.

Delegates Appointed.

Mayor Medley has appointed as delegates to the American Mining Congress to be held in Portland August 22nd, Hon. J. H. Bingham, Dr. W. W. Oglesby, and J. I. Jones.

LONDON BRIEFS.

July 27th 1904.

The camps continue to increase. Among the arrivals and visitors at London are ex-State Senator John McLung of Eugene, one of Oregon's best citizens, and many years in business in Eugene, was entertaining and hosting, came over to London again. John we like to meet with you. Mr. A. E. Snelling of North Yacomb, Wash., a nephew of Robert and Billy Tandy, Mr. Snelling has lived in Oregon and Washington since 1844, being four years old when he with his father, Elder Snelling crossed the plains in 1844, being the first Baptist preacher entering the state of Oregon.

This article has known Mr. Snelling for 31 years, made his acquaintance in 1873 in Mo. Co. Call, is a staunch member of the Baptist church and a christian gentleman. Then we have W. W. Hogate wife and daughter from Nebraska, who expects to return soon, W. A. Cunningham, wife and son, Mrs. Hogate and two children, Mrs. J. C. Porter, of Cottage Grove, Mr. M. Pitcher and wife, of Star, Oregon, he is P. M. at Star; Mrs. L. E. Shell and daughter. Most all of these campers and patrons of the Hotel are doing nicely and seem to enjoy their health and outing time.

The saddest accident that has happened in the history of Coast Fork settlement, is that our good neighbor Harry Wertz, who had the misfortune to accidentally and fatally shoot himself, being far up the river out of the settlement and died before reaching the settlement.

He was shot at about 11 o'clock on Sunday, July 24, and died while the boys were carrying him down toward his home at about 9 o'clock. They reached Mr. Shortridges about one o'clock at night. The shot taking effect above the left knee and ranging upwards and lodging in the body. Poor Harry suffered untold agony but bore his pain heroically, being conscious all the time; talked freely and was aware all the time that his little bark had struck the fatal rock on which his life was wrecked and sent to the lonely grave. Harry was a noble man to his wife and children, honest and industrious. Our sympathy goes out to the father and his wife and children, but let us see to it while they have lost the best friend on earth, they still have friends who will help bear the toils and hardships of life.

A lesser accident occurred to Arthur Whitlock, who under speed on his bicycle the forks gave way and landed him heavily in the road ahead peeling his underlip nearly to the bottom of his chin and otherwise bruising him up. (Say boys look out.) Dr. P. J. Hartle, general manager at the Oregon Mineral Springs, was called to see Arthur and gave him professional aid.
