Department of the Interior. Land Office at Roseburg, Oregon. July 12, 1904 Notice is hereby given that the fol-

Notice is hereby given that the fol-lowing-named settler has filed notice of his intention to make final proof in support of his claim, and that said proof will be made before E. U. Lee County Clerk at Engene, Oregon, on September 26, 1904, viz: William H. Griffin on his H. E. No. 8861, for the NE % Sec. 34 Tp in S., R. I. West, He manes the following witnesses. He names the following witnesses to prove his continuous residence upon and cultivation of said land, viz:

W. F. Males, of Following transfer of the section of tight. A small portion, where the organization is most perfect, is called from its color the yellow spot.

J. T. BRIDGES, Register.

THE CHATTANOGA ADVERTISING
The Chattaneoga Medicine Company, with hibor-fores and general offices at Chattaneoga, Tempessee, and branch houses at St. Louis, Mo. and San Francisco, Cal., has become one of the largest proprietury medicine concerns in the world. In the growth of this great basiness two fectors have been dominant. The merit of its products—wine of Cardul and The disor's Elack-Draught—has been which recognized and the original advertising methods adopted have excited great comment. The publicity for these medicines does not consist of the catch phrase and extravagant statement, loo often employed in advertising today, but instead the plain story of experience with the medicines given in the plain language of the pe ple themselves. The following letter is a lair sample of the thousands of Wine of Cardul testimonials published during the past twenty years. THE CHATTANOOGA ADVERTISING Juventus Lodge No. 48. Meets during the past twenty years.

W. H. Harrison, Cleveland, Miss., writes, Aug. 15, 1992; "I want to say a word of pense for Ballard's Snow Liniment. I stepped on a nail, which caused the cords in mo leg to contrast and an abscess to rise in my knee, and the doctor told me that I would have a stiff leg, soone day I went to J. F. Lord's drag store (who is in Denver, Colo). He recommended a bottle of Snow Lainent; I got a 50c size, and it cured my leg. It is the best liniment in the world.

ABCESSES, with few exceptions, are indicative of constipation or debility. They may, however, result from blows or from foreign bodies, introduced into the skin of flesh, such as splinters, thorns, etc. Sold by Morgan and Brehaut.

Nothing has ever equalled it.

Nothing can ever surpass it.

JOHN RUSKIN

Some Characteristics of Our of the Most Interesting of Men.

Ruskin's kindness had its roots in the essential aweetness of his nature. Everything in life had conspired to spoil him. He was often willful and wayward and extravagant, but the bet ter elements of his being prevailed over those which, to his harm, were to gain controlling influence of his father's For full information as to rates good sense and his mother's authority, and contrast call on Agent So Parities to at Cottage Grace, Green, E. Sop.—Inne 716 has been multionary in a fine intelligence, the subor of the or the most interesting of men. And routhined as they were with deep positive and desper moral sentiment as well as with a born desire to give pheasure, they gave to intercourse with thin a charm which increased as acquaintance grew into affectionate friendship. His mind was indeed at this time in a state of ferment. He was still mainly busy with those topics of art and nature to which his writings had hitherto been devoted, But his work in the field had led him into other fields of inquiry, which stretched and the state of ferment for the fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquiry, which stretched the field had led him into other fields of inquire finquire fields of inquire fields of inquire fields of inquire fiel wide and dark before him, through which no clear paths were visible and into which he was entering not without hope of opening a way. Henceforth his chief mission was that, not of the guide in matters of art, but of 23-33 the social reformer.-Charles Eliot Norton in Atlantic.
