CAUSE OF LOCKJAW.

Lockjaw, or tetanus, is caused by a bacillus of germ which exists plentifully in the soil. It is inactivated so long as it is exposed to the air, but when buried beneath the skin, as in the wounds caused by perforation caps or by rusty nails, and when the air is excluded the germ is roused to activity and produces the most virulent poison known. These germs may be destroyed and all danger of lockjaw avoided by applying Chamberlain's Pain Balm freely as soon as the injury is received. Pain Balm is an antiseptic and causes cuts, bruises and like to heal without maturation and in one third the time required by the usual treatment. It is for sale by New Era Drug Store.

NOTICE OF DISSOLUTION.

Notice is hereby given that the Partnership heretofore existing between H. K. Metcalf and L. Morse and known as Metcalf & Morse, has this day been dissolved by mutual consent, Mr. L. Morse retiring. Mr. A. Brand having purchased the interest of Mr. Morse, the firm will hereafter be known as Metcalf & Brand.

All persons indebted to Metcalf & Morse must settle their accounts by November 1, or they will be placed in the hands of an attorney for collection.

SAVED HIS LIFE.

J. W. Davenport, Wingo, Ky., writes, June 14, 1902: "I want to tell you I believe Ballard's Snow Lintment saved my life. I was under treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump in my side. I don't think I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Lintment. The first application gave me great relief; two fifty cent bottles cured me sound and well. It is a wonderful medicine and I recommend it to suffering humanity." 25¢ per bottle, \$1.00 Sold by Morgan & Brehaut.

Episcopal Guild.

On last Saturday afternoon and evening the ladies of the Episcopal Guild gave a very pleasant entertainment to their many friends in the city.

Mrs. Dr. Wall had kindly offered them the use of her elegant home and had caused the spacious rooms to be artistically decorated with ivy, clematis and flowers.

Many dozens of beautiful little cups and saucers had been provided and in them tea, accompanied with light refreshments, were served for a small sum of money, the purchaser to retain the articles as a souvenir of the occasion and before the closing hour all the cups had been disposed of.

During the evening the Misses Maud Bingham and Maud Blair sang several duets and Miss Nellie Richmond entertained at the piano.

The efforts of the ladies were successful in every respect and they fully appreciate the attendance and patronage of their many friends.
