Scrofula

It is commonly inherited.

Few are cutirely free from it. Pale, weak, puny children are ten, and many relaits suffer from it.

Common indications are bunches in the neck, abscesses, entaneous erups tions, inflamed evelids, sore ears, rickets, catarri, wasting, and general debility.

Hood's Sarsaparilla and Pills

Eradicate it, positively and absolutely. This statement is based on the thousands of permanent cures these medicines have wrought.

"My daughter had scrofula, with eleven sores on her neck and about her ears. Houd's Saraparilla was highly recommended and

Mood's Sarsaparilla promises to oure and keeps the premise.

Don't Grit Your Teeth.

"No teeth to all," the dentist said to per, and the girl was a Fina." the man in the chair, "but you are grinding off your teeth more than you ought to. Do you grit your teeth in

And the man said he didn't stay awake long enough to know about that, but were they much ground off?

worm the enamel off from some of them and got down to the dentine." the victim.

"Why, if you keep on grinding them off," said the dentist, "the teeth will hollow out and we'll have to put plugs in them with gold tops to give them new grinting surfaces."

This wasn't a very pleasant prospect, so later the man sought to asfrom his work to think of something. Disease for instance. And he made up his mind that he would stop that, anyway, and he hoped that he might thus stop grinding his teeth in his sleep, if he did so grind them. For, fine we they might be, he didn't want any of those nice little gold-rapped plugs put in his teeth if he could help it.-New York

Thimbles made of lava are extensively

In fideness there is perpetual despair.

The best mathematics that which the most joys and divides the most sorrows.

The British Isles comprise to fewer than 1,000 separate Islands and Islets.

In July, 1883, I began to break out with Eczema on my head, legs and arms, and began treatment with local doctors, but did not get much relief. They said the disease had become chronic. I then quit them and tried various olitments and soaps for another two years, but as soon as cold weather came I was as had off as ever, so I inally decided to let medicine alone, and for twelve or thirteen years did nothing towards curing the Eczema, except bath-ing. This seemed to do about as much good as anything I had tried.

During the time I lost about one-half of y hair. Theman S. S. S. doubtful of a re, because the disease had run so long, it soon discovered your medicine was ing me good, and continued to take it.

The head, feet and hands are usually the parts affected, though the disease appears on other parts of the bady. While external applications allay the theiring and burning temporarily, it is the acids thrown burning temporarily, it is the acids thrown to be provided with a condensing apparatus by which it is necessary outfit. off by the blood that cause the irritation and eruptions upon the skin. The soids must be neutralized and the system cleansed of all humors and poisons before the cure is permanent, S. S. S. is guaran-teed entirely free of Potasb, Arsenic

and other miner-als. Book on the skin and its dis-eases sent free. Medical salvice furnished free.

An Unfortunate Choice.

Mrs. Black, with a family of eight, could keep a cook, but Mrs. Green who paid the same wages and whose family numbered only two, experisuading our to stay with her, offlicted with it in nine cases out of Green was troubled about it, and naturally sought suggestions wherever she could get them. One day the two men happened to meet at a news dealer's stand.

"I'm buying," explained Mrs. Black. On Swedish newspaper for my cook. She likes to read, and I take one home to her occasionally."
"Why!" exclaimed Mrs. Green. "I

The Sun Bath.

When plants are sickly we put them in the sunlight, water them, and nurse them back to life. Why not give our bodies the same care? Let the tired, worn out, nervous woman try sun treatment. Put on a light, clean wrapper, let the hair down, take an easy chair, and go into the back yard and wit in the sun for an hour. If you fall asleep, so much the better, perspiration flow freely. After the sun bath go in and take a bath, rubbing the body briskly all over. Cool off away from a draught; dress, and you will feel like a new woman in the best sense. Take the baths often.
