## FAILED TO SCORE

Eugene and Cottage Grove Football Teams Play Good Game Without Results.

Saturday afternoon the Eugene team arrived by train and repaired to the gridiron to try results with our home team. A large number of men, women and children went to the grounds to witness the first regular game played here this season.

As soon as the teams appeared on the ground, it was seen they were very evenly matched as to size and a good game was assured.

Tom Medley was referee and H. R. Berry scorer.

In the first half one team and then the other would have the advantage, but no score was the result.

The second half each team took its position with the intention of winning the game and every player did his utmost to secure that end. Slowly but surely the home team gained ground, but were so stubbornly resisted that when time was called they still lacked eight inches of reaching the goal with the ball, leaving it a scoreless game.

The home team has had very little practice this season and did well to keep their opponents from making a score. It is probable they will play at least one more game.

The line-up for Cottage Grove was: L. E. H. Conner; L. T. B. Martin; L. G.; Joe McKibbin; C. Mike Finnerty; R. G.; Norman Hawley; R. T.; Herschel Allison; R. E.; A. C. Shivos; Quarter, C. Emerson; Full Back, Rufus Arne; R. H.; Earl Hill and E. Finnerty; L. H. H. Harms; Sub., Charles McKibbin and Albert Griffin.

The line-up of the Eugene team was promised us but until going to press had not been received.

## IT IS A MATTER OF HEALTH
