He Recommends a Number of Changes in the Present Laws.

State Game Warden J. W. Baker's first biennial report to the Governor has been placed in the hands of the state printer,

He reports Oregon as one of the best game states in the Union,

He requests that the number of copies to be printed be 5000, as the 1500 printed last year has long last the said:

But ob, they sever equal the old fashbene archanged. He thinks the said. been exhausted. He thinks the ap-

been exhausted. He thinks the appropriation heretofore made is too small.

He recommends that the law for the protection of elk, which expired September 15 of this year, be remarked as soon as possible.

The deer, he says, are on the inthe group of the group of the says, are on the inthe gravy on your plate!

The group old times are going, and the group old bread is gone!

The group old times are going, and the group old bread is gone!

A CERTAIN CURE FOR CROUP.

When a child shows symptoms of croup there is no lime to experiment with new remedies, no matter how highly they may be recommended. There is one preparation that can always be depended upon. It has been in use for many years and has never been known to fall, viz. Chamberlain's Cough Remedy. Mr. M. F. tompton of Market. Texas, says of a "I hav? used Chamberlain's Cough Remedy in severe cases of croup with my children, and can truthfolly say it always gives prompt relief." For sale by The Modern Pharmacy.

A FRIGHTENED HORSE,

Ranning like mad down the street dumping like mad there's none severy day occurrences. It behooves everybody to have a reliable Salve handy and there's none as good as Buck-len's Arnica Salve. Burns, Cuts, Screen and Piles, disappear quickly under its soothing effect. 25c at Benson's Pharmacy.

There were 40 arrests made and penalties imposed in the last year.

Allowance for the office was HEART FLUTTERING.

HEART FLUTTERING.

Undigested food and gas in the stomach, located just below the heart, presees against it and causes heart palpitation. When your heart troubles you in that way take Herbine for a few days. You will soon be all right. 50c. Sold by the Modern Pharmacy.

He Lost His Dignity.

A pompous individual from the east, says a Texas newspaper, happened to be traveling in western Texas and stopping at a hotel, when trouble started among some cowboys, who prepared to conduct the argument with revolv-

"Stranger," said a Texan to the pompous man, "it would be a good idee fur you to lay down on the floor till this

dispute is settled."
"It does not comport with the dignity of a Boston gentleman of my pro-fessions," said the pompous gentleman, "to wallow in the dirt on the

floor." "You may be right, stranger," answered the Texan as he prepared to recitne, "but my opinion is that you had better lose yer dignity fur the time bein' than to have the daylights let into your system by a 44." He lost his

A FRIGHTENED HORSE,

ABUSE OF ATHLETICS,

Ruscle Building Does Not Necessarily Athletics may be good or evil and in

the same manner as a two edged The prime object in athletics is im provement of the general health. One writer has said that health, like happiness, does not exist. He said the body consists of a number of mechanisms which have the closest and most exact relations, and as they approxi mate to harmony there is health, but when disordered there is ill health.

To obtain good health muscle build-ing is not a necessity. One carried judge of the person's health by the size and hardness of the muscles. The cou-

rerse may be true.

To obtain health one must not be in a perfectly trained condition owing to the effects of severe training on the nervous system.

There is no evidence to prove that

athletics and muscle building improve

shares in this tendency.
In regard to the moral side of the nestion, it remains to be proved that athletics per se corrupt the morals. Dr. F. R. Sturgis is confident that athletics improve the morals of a commu

Although the evidence for and against afhictics is contradictory, the whole subject may be summed up by stating that athletics are benefit when properly and judiciously applied and very injurious when the precautions above mentioned are ignored or carelessly regarded.—Medical Record.

FIGHT WILL BE BITTER.

Harry Duckwell, aged 25 years, choked to death early yesterday morning at his home, in the presence of his wife and child. He contracted but little attention to it. Yesterday morning he was select with a fit of the increase in many parts of the state.

Elk are getting scarce and he suggests, their killing be prohibited for ten years.

Harry Duckwell, aged 25 years, choked to death early yesterday morning at his home, in the presence of his wife and child. He contracted but little attention to it. Yesterday morning he was select with a fit of coughing which continued for some time. His wife sent for a physician but before he could arrive, another but before he could arrive, another well died from suffocation.—St Louis Globe-Democrat, Dec. I, 1001." Ball my wife had every symptom of reactions of the suggests, their killing be prohibited for ten years.

He thinks twenty ducks a day for one hunter are sufficient, but believes geese should be killed at any time except when next.

ous ring of the telephone in her house. Feeling from the wildness of the ring that somebody's house must be on fire or that somebody was bleeding to death, she scampered downstairs and nervously selzed the receiver, only to hear a shrill soprano voice shriek: "Got your washin' done yet? Had mine out half an hour ago."

THE KEY THAT UNLOCKS THE DOOR TO LONG LIVING.

The men of eighty-five and ninety years of age are not the rotund well fed, but thin, spare men who live on a slender det. Be as careful as he will, however, a man past middle age, will occasionally eat too nuch or of some article of food not suited to his constitution, and will need a dose of Chamberlain's Stomach and Liver Tablets to cleanse and invigorate his stomach and regulate his liver and bowels. When this is done there is no reason why the average, man should not live to old age. For sale by The Modern Pharmacy.
