Resolutions.

WHEREAS, One Frank James is now
a member of a theatrical troupe and
giving public exhibitions throughout
the country, and

WHEREAS, The TELEGRAM, a paper
that prides itself as being one of the
great dailies of the State, publishes a
lengthy article, lauding before the
public the many assumed accomplish-
ments of the said Frank James dwell-
ing on his beauty, his daring deeds,
his horsemanship, etc., ending up by
calling him the man who never broke
his promise, showing him up as a
great man to the young boys of to-day
and

WHEREAS, We the members of
Appomattox Post No. 34, knowing this
man at one time to be a wicked, de-
perate criminal, disregarding the laws
of God and man, associating himself
with and sometimes leading one of
the most noted desperate set of bri-
gands, criminals, murderers, robbers
and law breakers known in the
history of this country. Therefore be it

stomach troubles and constipation I
have ever sold," says J. R. Cullman,

are easy to take and always give sat-
isfaction. I tell my customers to try
them and if not satisfactory to come
back and get their money, but have
never had a complaint." For sale by

LODGE INSTALLATIONS.

M. W. of A. Installs Officers and Has a
Royal Good Time.

Sirene Camp M. W. of A., which
meets in the Grange Hall eight miles
south of the Grove on the Coast fork
road had a public installation of
officers Saturday, January 14. A
party consisting of Geo. Comer, Lee-
Roy Woods, Malley Miller and George
and Charles Teeters went out from
the Grove to help with the installa-
tion, Comer acting as Head Consul
and Woods as Chief Forester. The
installation was carried out before
dinner, and was the most interesting
part of the day's doings was when the
ladies commenced to untold dish-
pan, boilers and tins. The writer is
a regular Methodist preacher for
yellow legged chickens and he wound
up by eating a piece each of four
different kinds of pie. Say! The ladies
of that neighborhood don't need
any lessons on cooking from Mrs.
Holmer, of Boston fame. The Cot-
tage Grove contingents were awfully
ashamed of George Comer and we
firmly believe George didn't eat any
breakfast so he could load up. After
dinner a splendid program was ren-
dered, interspersed with selections
on violin and organ by Mr. Abe Small
and wife. After the regular program
was finished, the chairman, Mr. A.
Powell made a good talk on M. W.
of A. order and wound up by saying
that he noticed several old wheel
horses of the Grange present, and as
he called their names, several re-
sponded with neat short speeches
showing that they are men who keep
posted and abreast of the times.
There are twenty eight members of
Sirene Camp and the newly installed
officers are as follows:

- A. A. Kelley, Venerable Consul.
- Geo. Sutherland, Worthy Advisor.
- C. T. Miller, Banker.
- J. A. Powell, Clerk.
- Arthur Whitlock, Exorator.
- W. E. Nowell, Watchman.
- H. B. McInnes, Sentry.
- A. S. Powell, Manager.

morning, when first arising, I often
find a troublesome collection of phlegm
which produces a cough and is
very hard to dislodge; but a small
quantity of Ballard's Horehound
Syrup will at once dissolve it, and
the trouble is over. I know of no
medicine that is equal to it, and it is
so pleasant to take. I can most cor-

CHAMBERLAIN'S COUGH REMEDY

ABSOLUTELY HARMLESS.
The fault of giving children medi-
cine containing injurious substances,
is sometimes more disastrous than
the disease from which they are suf-
fering. Every mother should know
that Chamberlain's Cough Remedy
is perfectly safe for children to take.
It contains nothing harmful and for
coughs, colds and croup is unsur-
passed. For sale by the Modern
Pharmacy.

CLIMATIC CURES.

The influence of climatic conditions
in the cure of consumption is very much
overdrawn. The poor patient, and the
rich patient, too, can do much better at
home by proper attention to food diges-
tion, and a regular use of German
Syrup. Free expectoration in the
morning is made certain by German
Syrup, so is a good night's rest and the
absence of that weakening cough and
debilitating night sweats. Restless
nights and the exhaustion due to
coughing, the greatest danger and dread
of the consumptive, can be prevented or
stopped by taking German Syrup lib-
erally and regularly. Should you be able
to go to a warmer climate, you will find
that of the thousands of consumptives
there, the few who are benefited and
regain strength are those who use Ger-
man Syrup. Trial bottles, 25c; regular
size, 75c. At all druggists. German

the total votes cast for a society will re-
ceive \$50 and \$50 more will be divided

SAVED FROM TERRIBLE DEATH.

The family of Mrs. M. L. Robbitt
of Burgerton, Tenn., saw her dying
and were powerless to save her. The
most skillful physicians and every
remedy used, failed, while consump-

her life. In this terrible hour Dr.
King's New Discovery for Consump-

first bottle brought immediate relief,
