SPLENDID ENTERTAINMENT

The Charles Concert and Projectoscope Co., who will appear at the Opera House on Wednesday evening, Jan. 25, come well endorsed.

Mr. Carleton Ostrander,

the greatest mandolin soloist in the world is featured with this company as is Richard Hutchins, the well known Baritone singer. The Eugene Register says of this company: "Not one in the large audience that was present at the entertainment last night but what is perfectly satisfied that they received the full worth of their money. The features were all pleasing. The scenes portrayed by the biograph were, as the name indicates, written true to life. The harvesting scene in Umatilla county was as near perfect as one could expect, and it only lacked the noise of voices and crack of the driver's whip to make it realistic. The humorous pictures pleased both old and young. The illustrated songs brought out the tender memories of youth and love and the rich baritone voice of the singer is worthy of much praise. The charm of the evening, however, was the mandolin playing of Carleton Ostrander. No words of ours can adequately describe the rich melody, the tender pathos and exquisite feeling the young man was able to call out from his instrument, so generally distilled. He is certainly all that is claimed for him, and an artist in his profession. The entertainment is certainly first class, in all that those words mean, and makes one feel that they had an opportunity of being present. The program is high grade. The prices popular; 15 and 25 cents, reserved seats 35 cents on sale at New Era Drug store.

Mr. and Mrs. Frank Henderson recently returned home after several weeks visiting in Eastern Oregon.

ROSEBURG BROOM FACTORY BURNED

New Enterprise Goes Up in Smoke—Loss, \$6,500

Plaintiff: A loss which is keenly felt and deeply deplored by the citizens of Roseburg, as well as R. S. Barker, the promoter and owner of Roseburg's new industrial enterprises, was sustained Saturday at about midnight, when the recently acquired broom factory, with all of its valuable machinery, three and one-half carloads of finished brooms, 150 dozens of newly manufactured brooms and all other supplies, were totally consumed by fire. Owing to the inflammable nature of the material, no sooner was the fire started than the flames burst out through the roof and windows of the fine new two-story building, which was 24x50 feet and which was located in the alleyway addition to Roseburg apart from other buildings and out of reach of the city hydrants.

The fire is thought to have been of an incendiary origin. The plant and stock were valued at \$6,500 with \$3,500 insurance.

John P. Wilbur and Will Wright, of Union, who ten days ago took an option on the Wilamette Valley Woolen Manufacturing Co., in this city, have forwarded the purchase price to Receiver A. C. Woodcock, and the property is now in their possession. Charles Thomas has charge of the mill until the new owners arrive and make arrangements to begin the work of getting the mill in readiness for operation.

As previously stated in the Guard, Messrs. Wilbur and Wright will overhaul the machinery, put in additional improvements and be ready for operation on May 1st.

REV. CARLETON P. B. MARTIN, L. L. D.

OF WAVERLY, TEXAS, writes: "Of a morning, when first arising, I often find a troublesome collection of phlegm which produces a cough and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat or lung trouble." The Modern Pharmacy.

SUNDAY AT THE CHURCHES

The Rev. Mr. Lake of Roseburg will hold Episcopal services in the Masonic Hall on Sunday afternoon, at one thirty. The administration of Holy Communion will be held. A cordial invitation is extended to all.
