#### A Worthy Cause.

We learn that a movement has at last been made toward an improvement that has long been needed in this town, and as such it should receive the hearty and liberal support of all classes. A club of boys, ranging in age from 14 years upwards, was organized some five months ago and called themselves "The Men of Tomorrow." They have had a phenomenal growth and today number thirty-six members. They, with the aid of the M. E. church, have undertaken to build and equip a reading room and also a gymnasium on grounds furnished them by the church. The reading room is to be 14x22 feet and the gymnasium 16x46 feet. There will also be a

hall 28x22 feet in connection with these, thus affording a meeting place for the club and others. The whole is to cost about \$600.00, and the boys expect the citizens of Cottage Grove to help out liberally as the reading room is to be for public use and is something sadly needed. A subscription of \$25 or \$50 is not much for such a cause, to one who desires to make good citizens of the men of tomorrow.

#### Christian Endeavor Society

Thirty delegates from the Christian Endeavor Societies of Douglas and Lane counties met in convention in this place Saturday and Sunday.

The purpose of the meeting was to perfect the organization of the district and to elect officers for the coming year. State President, J. A. Rockwood, of Portland was present for the sessions Saturday afternoon and evening. Mr. Rockwood is a business man and believes he has business to do for the Oregon Endeavorers.

Much credit is due Mr. W. A. Dill, State Press Agent and Miss Vinnie Knapp, both of Eugene for securing delegates and arranging the programme. Miss Rose Coffey also of Eugene favored the convention with some excellent vocal music.

Rev. H. M. Andrews, missionary from Woodstock, India, Sunday evening delivered an instructive address on what he has seen of that unfortunate, because unchristian, people. Fourteen years of life among them as missionary, pastor, and college president have made him a man full of pity and devotion to their needs.

Officers elected were as follows: District President, Miss Marian White, (Christian) Cottage Grove. Douglas vice, Mr. J. E. Smith, (Christian) Roseburg.

Lane vice, Miss Brent (United Brethren) Eugene. Secretary, Miss Lulu Currin, (Cumberland Presbyterian,) Cottage Grove.

Treasurer, Miss Mary Weatherbe (Presbyterian) Eugene.

Junior Supt. Miss Ruby Hendricks, (Christian) Eugene. Supt. Good Lit., Mr. Tripp, (Congregational) Eugene.

Supt. Temperance, Mr. Theo. Helt, (Cumberland Presbyterian) Eugene.

Supt. Missions and Devotions, Miss Katherine Hanna, (Presbyterian) Eugene.

Press Agent, Miss Hickather, (Christian) Drain.

The next district convention will be held at Roseburg, in the fall of 1906.

#### GOOD ROADS MEETING.

(Continued on fourth page.)

per 1000 feet on the standing timber.

Judge Ryan followed with an entertaining and instructive address on plank road building in Clackamas and showed that they cost about \$1400 per mile. The method of laying such roads there is to put down 3x12 stringers laid flat and sunk to a level with the road bed then the plank laid so that they rest on the sills and the ground at the same time. Roads built in that way last from 9 to 14 years.

At the conclusion of the addresses by the judges, short talks were made by Hon. I. H. Bingham, Prof. Hyde of the University of Oregon, Prof. Mulkey of Ashland Normal school, President Campbell of U. O. J. D. Matlock, H. O. Thompson of Cottage Grove and several others. M. Svarvud was elected president as was F. M. Wilkins secretary and treasurer.

The same directors as served the past year were re-elected with the exception that I. H. Bingham was substituted for Mr. Bailey.

#### Stole a Team.

On Thursday evening a man giving his name as Shaffer, called at the Fashion stables and asked for a two-horse rig, stating he wanted to drive up the Coast Fork to the home of Elisha Geer.

The team was furnished and Shaffer drove away. As time passed and the horses were not returned the proprietors became suspicious that something was wrong and upon inquiry learned no such man was in the vicinity.

Thinking the team had been taken south, the proprietors secured the services of R. W. Veatch, who has a reputation of finding what he goes after, and he took the train for Roseburg. Upon his arrival there Saturday night he went at once to a livery stable and there found the rig which had been left but a short time before by supposedly the same man who left this city with it. He told the proprietors of the stable to take good care of the team until he called for it, which would be in a day or so. It is supposed the man took the train to the south soon after, leaving the team at the stable. Mr. Potts upon learning the horses were found, took the night train for Roseburg and Sunday he and Veatch drove back to the city a distance of sixty miles.

#### Memorial Day.

Beside the regular services at the cemetery by the G. A. R., Eber Browne will deliver a eulogy.

The afternoon services at the hall will consist of recitations interspersed with music, among those who will recite are: Stella Thompson, Gertrude Hogate, Blanche Thompson, Mary Willard, Merrill Robinson. Mr. C. J. Howard will also recite. An address will be delivered by Rev. S. L. Straford.

#### Water Bonds Voted.

The fact that but little opposition was offered against the voting of \$20,000, 25 year bonds for the increasing of the water supply for the city and the building of a reservoir caused a light vote on Monday. Some did not care which way it went; many who favored the bonds, forgot to vote or got to the polls after they were closed.

The vote stood 107 for and 10 against.

#### Balloon Assent.

Sometime during this afternoon there will be a balloon assent, providing the weather will permit, from the carnival grounds. The Arnold shows are giving satisfaction to the people and the management wants to give them this free exhibition.

#### Announcement.

Some one, evidently with malicious intent, is, or at least has been circulating a report that I am in the city only temporarily while disposing of a stock of millinery goods belonging to a wholesale house.

I desire to state most emphatically that I am not representing any wholesale house but have purchased my stock of millinery goods with my own money and that it is my intention to remain permanently and continue the millinery business in the city.

Respectfully,  
IDA FRANCES BARRETT.

#### "Five Hundred Dollars Reward."

The Southern Pacific Company will pay Five Hundred Dollars reward for information leading to the arrest and conviction of any one of the persons who maliciously placed ties on track at private road crossing two miles east of Albany, April 2nd 1905.

#### A MATTER OF HEALTH

#### High School Reception

Thursday night a reception was given at Woodman hall by the students of the schools, relatives and friends, to Menzo Finnerty, Georgia Berg, Etta Holterman and Daniel Thomas, the four graduates from the High School of Cottage Grove.

The hall was well filled, principally with the young people, but there were a number of parents and friends who had been invited to share in the evening's enjoyment.

The Cottage Grove band was there and played a number of very fine selections.

Professor Dunn presided and for nearly two hours kept some form of entertainment constantly in evidence.

Those giving recitations were: Mrs. Alta King, Miss Nettie Morse, Harry Brehaut, J. I. Jones and Prof. Strange. Miss Lillian Hart and Mr. Isham sang a duet and Mr. Isham later favored with a solo.

Those responding to requests to say something concerning the schools and to the graduates were: Oliver Veatch, Chas. VanDenburg, W. B. Root, J. W. Barrett, Thos. Awbrey and Rev. Billington.

A chorus of eight high school girls was a pleasant feature. Miss Daisy Gilbert of Eugene who is a visitor in the city, obliged the audience with a solo which was highly appreciated.

Prof. Dunn on behalf of the students thanked the band for its assistance, the parents and friends for their presence and Messrs. Jones and Phillips for the free use of the hall.

Following an adjournment the young people held a genuine social. Miss Edie Stewart and Miss Daisy Thomas entertained. The table was decorated with wild flowers, ferns and beautiful roses. Ice cream with splendid cake, also coffee were partaken of.
