Lane county will rank as a banner county in the Sunday School work of the state as it has held a convention in each of the districts and has held the county convention.

Great credit is due to the officers for their untiring efforts on behalf of the Sunday School work. At great investment of time and thought they have carried on the work until few small communities exist where there is no regular Sunday School services held.

CHAMBERLAIN'S COUGH REMEDY THE BEST AND MOST POPULAR

"Mothers buy it for croupy child, railroad men buy it for severe coughs and elderly people buy it for a gripe," says Moore Ross, Florio, Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by The Modern Pharmacy.

Companies I and K of the Tenth United States regular infantry are encamped upon the peninsula at the Lewis and Clark Exposition. Captains Ingram and Gowen and a staff of three lieutenants are in command.

A SURE THING
It is said that nothing is true except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. E. VanMetre of Sheperdstown, W. Va., says "I had a severe case of Bronchitis and for a year tried every kind of remedy, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely. It is infallible for Croup, Whooping Cough, Grip, Pneumonia, and Consumption. Try it. It is guaranteed by Benson's Pharmacy. Trial bottles free. Reg. U. S. Pat. Office, No. 1,100,000.

Oregon and Idaho are nothing but back woods, anyhow! If there is any question about it, it will only be necessary for our enemies to point to the fact that nearly one-fourth of each state has been turned into forest reserves.—Oregon Daily Statesman.

HERBINE
Will overcome indigestion and dyspepsia; regulates the bowels and cures liver and kidney complaints. It is the best blood purifier and invigorator in the world. It is purely vegetable, perfectly harmless and should be used by a sufferer from disease who will use it if you are wise. R. N. Andrews, Editor and Mgr. Cocoa and Rockledge News, Cocoa, Fla., writes: "I have used your Herbine in my family, and find it a most excellent medicine. Its effects upon myself have been a marked benefit."

A Masonic building is rapidly nearing completion at the Lewis and Clark Exposition. This has been erected for entertainment purposes by local organizations and will be ready for occupancy before opening day.

QUICK ARREST
J. A. Gullodge, of Verbena, Ala., was twice in the hospital from a severe case of piles causing 24 tumors. After doctors and all remedies failed, Bucklen's Arnica Salve quickly arrested further inflammation and cured him. It conquers aches and kills pain. 25c at Benson's Pharmacy.

A congressional party consisting of thirty-one members of the house and senate, accompanied by their wives and families, is now on the way to the Lewis and Clark Exposition.

ABOUT RHEUMATISM
There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and cures but a trifle? For sale by The Modern Pharmacy.

Sunday Memorial Service

The Sunday Memorial service at the Christian Church was largely attended. The members of Appomattox Post and the Women's Relief Corps met at their hall and marched to the Church.

Reverend Grace, followed by the congregation of the Cumberland Presbyterian Church closed their services and came to hear the sermon, an act of courtesy, very feelingly acknowledged by the preacher.

The choir had made special preparations for the song service and rendered several fine and appropriate anthems and songs.

The solo by Miss Ethel Cottle was exceptionally fine and duly appreciated, especially by the old soldiers, who could possibly more fully understand the theme.

The pastor took for his text, "With great souls have I obtained this citizenship." A part of a conversation between Paul and a Roman officer.

The discourse was earnest, patriotic and intensely interesting. With no disparagement to Rev. Billington's former efforts, it is doubtful if he ever equaled his memorial sermon on Sunday last.

A LECTURE ON ELECTRICITY

Eugene Guard

Electricity commenced its career at the breaking morn of creation, with few passengers on board, and has continued its course with increasing speed and growing glory down to the present moment. It now travels with the brilliancy and rapidity of the lightning's blaze, and even compares the very lightning to speak in a familiar voice to man. The history of science is destined to continue its majestic course, in duration coeval with our globe. Genius is supremely higher than talents, and no man of genius has ever opposed electricity in its wonderful workings. This shows that as it was considered unworthy of doing all that is claimed for it that it would fall by the wayside and be discarded the same as all worthless things that are cast aside. Dr. Darrin at the Hotel Smeedo, is an advanced thinker on the applications of electricity for the cure of disease and to prove his skill we enumerate many cures performed by him, and would suggest to the thinking minds that today cures are being performed by this subtle agency that seemed impossible ten years ago.

Among the many successfully treated may be mentioned Ex-Senator Geo. Chandler's son, of Baker City, who had heart trouble and general debility; cured and gained 30 pounds.

F. H. Hohn, 247 Commercial street, Salem, catarrh; cured.

J. W. Pate, Jefferson, Ore., rheumatism and diabetes; cured.

Reuben Lee and wife, Turner, Ore., sciatic rheumatism and cough; restored.

Mrs. C. Pfing, Salem, varicose ulcers on both limbs; cured.

B. Baxter, Ferry street Salem, tumor; cured.

Miss Irene Ashford, Salem, discharging ear; cured.

J. S. Hesten, Salem, liver complaint and dyspepsia; cured.

Mrs. Beulah Ross, of Salem, is very enthusiastic over her recovered health. She was cured by Dr. Darrin last summer, her affliction being chronic dyspepsia, liver and kidney troubles thought to be incurable.

DR. DARRIN'S PLACE OF BUSINESS
Dr. Darrin is located at the Hotel Smeed, Eugene, Ore., and will give free examination to all, 10 to 5 or 7 to 3 daily until July 1. The poor free and those able to pay at the rate of \$5 a week or in that proportion of time the case may require. All curable chronic diseases of men and women a specialty.

This is the first visit of the head of the Portland firm of Drs. Darrin to Eugene.

FOR A WEEK DIGESTION.
No medicine can replace food but Chamberlain's Stomach and Liver Tablets will help you to digest your food. It is not the quantity of food taken that gives strength and vigor to the system, but the amount digested and assimilated. If troubled with a weak digestion, don't fail to give these Tablets a trial. Thousands have been benefited by their use. They only cost a quarter. For sale by The Modern Pharmacy.

—Boston Advertiser.

To save a life, Dr. T. G. Merritt, of No. Meloopany, Pa., made a startling test resulting in a wonderful cure. He writes, "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had obtained Electric Bitters, excellent for acute stomach and liver trouble, so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Benson's Pharmacy.

A POSITIVE NECESSITY
Having to lay upon my bed for 14 days from a severely bruised leg, I only found relief when I used a bottle of Ballard's Snow Liniment. I can cheerfully recommend it as the best medicine for bruises ever sent to the afflicted. It has now become a positive necessity upon my part.
