OLD PEOPLE

Their Pains and Ailments

Any taint of the blood quickly shows itself with old people, and troubles, which a younger, more vigorous constitution holds in check, take possession of those of advanced years. A mole, wart or pimple often begins to inflame and fester, terminating in a sore that refuses to heal. Wandering pains

of a rheumatic character are almost constant, the joints get stiff and the muscles sore, while sleeplessness and nervousness make life a burden. The natural activity of the body is not so great in old age and all the organs get dull and sluggish, condition, Rheumatism developed.
