Don't forget the entertainment at
Jones and Phillips hall on Tuesday,
June 27. See program in another
place.

On June 16th, J. W. Ward of
Wasco county was fined \$50 for
dumping saw dust in Right Mill
Creek.

Three hundred editors are ex-
pected to pass through the city June
26. Eugene will probably entertain
them a short time.

Every north bound train, and
there are several specials besides the
regular, are loaded with people
going to see the Exposition.

During such pleasant weather
and good roads a very satisfactory
way to go to Eugene is to secure a
rig of the Fashion Stables and drive
there. By this method parties can
go and return at their convenience
and not be limited to time.

The Nebraska Lumbermen's
Association, traveling by special
train stopped at Eugene Monday
evening long enough to partake of a
good lunch provided by the citizens
and see the city. There are about
200 in the party.

Mr. J. A. Sears, an only brother
of J. W. Sears of this city, died in
Portland Sunday and was buried
there on Monday.

The marriage of Mr. David Griggs,
proprietor of the Modern Pharmacy
of Cottage Grove, and Miss Maude
Bingham of Eugene, is announced
for June 28th.

Mr. Geo. Lea, has put down a
concrete side walk in front of his
residence which adds greatly to the
appearance of his fine residence
grounds.

F. J. Hard went to Portland,
Monday.

Ed. L. Hoff, the mining engineer
is attending court at Eugene this
week.

O. D. Wheeler, W. S. Bennett
and A. S. Powell drove to Eugene
Monday morning to attend court.

Mr. John Traylor, a joining
machinery man of Denver passed
through the city Monday on his way
to Portland. He will visit here and
Bohemia soon.

David Griggs went to Portland
Monday to serve on the Federal
petty jury.

U. G. Walker, who was traveling
on the road for several weeks,
returned home Saturday and will be
at his paint store for some time.

Geo. Comer returned from the
Lewis and Clark Exposition last Fri-
day and reports having a good
time and that the fair is well worth
visiting.

G. W. McReynolds and wife of
the Divide took the train Tuesday
for Oregon City to attend the G. A.
R. gathering and will then go to
the Exposition.

W. S. Bennett returned Sunday
from Portland where he attended
the Grand Lodge of Masons and
Eastern Star. He also visited his
brother in Woodland, Wash.

Frank D. Wheeler and J. I. Jones
visited Portland last week, took in
the Exposition and were raised to
the 32 degree in the Masonic order
and arrived safely home with out a
perceptible blemish.

This being court week in Eugene
a good many of our citizens have
been to that city. Among the num-
ber were: J. E. Young, D. S. Mc-
Farland, Wm. Cox, Charles Burk-
holder, Wm. Higgins and S. E.
Veatch.

Rev. L. A. Reed, who has been
in the city some eight months left
for Seattle Tuesday. He will take
up the ministerial work again. Mr.
Reed is a royal grand army man
and will be missed by the Post of
the city.

Mr. and Mrs. J. R. Taggett of
Colorado, who have been attend-
ing the Portland Exposition came to
this city to visit Mr. and Mrs.
Hoxie. After spending Sunday
here they took the south bound
train Monday for California.

On last Friday Mr. and Mrs. W.
G. Fudge of LaCrosse, Washington,
arrived in the city to visit the
families of F. W. Warren and H.
O. Thompson who have been per-
sonal friends of theirs for many
years. They expect to remain about
a month.

On Friday, Prof. and Mrs. J.
Owen of Los Gatos, California,
stopped off on their way from Port-
land where they had been visiting
the Exposition, to visit Mr. and
Mrs. W. H. Kayser with whom they
were acquainted in earlier
years.

Col Blair visited the Lewis and
Clark Exposition last week and up-
on his return stated it was well
worth the time and expense. While
there are many interesting things
to see, he thought the government
building the most interesting.
Among the states the California and
Washington exhibits were in his
opinion the best.

Misses Marguerite Jones and
Grace Lincoln, who had been in
Portland the past week in attend-
ance at the Lewis and Clark Fair,
returned to the city on Saturday
evening. The young ladies report
having had a splendid time during
their visit in the city and at the
Exposition. Miss Nellie Hemen-
way, who attended school there,
accompanied them home.

N. M. White and family went to
Portland on Saturday to take in
the Fair. Mr. White is interested
in the London Mineral Springs
Company, and took along with him
some of the literature of the Com-
pany and is going to help boost the
same and name of the Springs, and
incidentally tell of the people and
business of Cottage Grove and
vicinity.

School Election

Monday's school election at which
time a director was elected to fill
the vacancy by reason of the expira-
tion of Mr. Wooley's term and a
clerk of the board, became quite
interesting before its close. W. R.
Johnson and F. B. Phillips were the
candidates for director and for a
time it was very close between them.
At the last Mr. Phillip's friends out-
numbered those of Mr. Johnson and
the vote stood 42 to 33 in favor of
Mr. Phillips.

Mr. J. K. Barrett, who was
formerly clerk of the board was
elected to that position again. Mr.
D. T. Awbrey has been the clerk the
past year but was not a candidate
at this election.

Creamery Talk

On Monday night at the meeting
of the Commercial Club, Messrs.
Knight and Sitter of Portland, were
in attendance and the subject of
having a creamery established in
the city was again taken up.

Mr. Sitter is an experienced
creamery man and thinks well of
this locality for a business of that
nature.

The Club creamery committee
was instructed to confer with the citizens
committee and see what further
action could be taken. The com-
mittee met Tuesday night and every-
thing seems favorable for a creamery
in the city.
