Clara and Guy Van Riper have
been in Portland enjoying the fair.
They had a fine time and think the
fair is a great treat.

The time for the departure of
London and Black Butte Stage Line
carrying mail and passengers has
been changed from 7:00 a. m. to
6:30. Kindly take notice.

The City fathers have appointed
A. M. Randolph to visit each house
supplied by City Water, and see if
there are any faucets leaking and
inform the tenants of a new rule
which is to be promulgated. The
water supply is getting very short,
and while they will allow all the use
of it that is possible and leave a
sufficient quantity stored for fire
emergencies, yet some certain hours
must be set for irrigation. For that
purpose the council has decreed that
at noon the City bell will strike 21
taps with a pause between each
four. On the day the West Side
bell strikes 21 taps at noon, the
people on that side of the City may
use the water for irrigation of flowers
and plants, from 7 to 8 P. M. of
that day, and that day only;
when the East Side bell rings 21
taps they may water their flowers
and plants from 7 to 8 P. M. of that
same evening and that one only.

When the new system is installed
many of these precautions will not
be necessary.

Blair from California are visiting
their parents.

The Scholl Jewelry store has
some fine new cut glass. Come in

Charles Finnerty is progressing
slowly. The doctor thinks that he
may be able to get around a little
in about two weeks.

J. H. Bartels had what might
have been a serious accident on
Saturday. In turning his wagon
around the horses became somewhat
unruly and the wagon was tipped
over, the front wheel running over
Mr. Bartels' right ankle, fortunately
not breaking any bones, but sprain-
ing and wrenching it very badly.

A party of four men and chauff-
eur from Los Angeles passed
through here on Monday on their
way to Seattle. They had a 24
h. p. Peerless machine, and left
Los Angeles June 30th. They had
fine roads through California but
for the last couple hundred of
miles have nearly had to build
most of their own roads, as the
roads were in such poor shape. We
need a road committee the worst
way and until we get it we can't
expect to have much road travel
from any people, motorists or
others.

The council is having a hard time
to find a suitable location for the
new reservoir. The places they
have looked at are too high, too low,
too small or too far away, however
they need a couple of locations
that are fairly suitable, but could
not purchase the land necessary.
It is altogether probable that the
location will probably be very
close to the old reservoir. It
is to be hoped that the matter will
be settled soon, so that the engineer
may draw up the plans and specifi-
cations for the piping, in order that
bid may be taken, and let, and the
actual work begin.

Bohemia Exhibit at Exposition.

I am enjoying the fair. The Bo-
hemia exhibit shows up finely. I
am more than pleased with the way
it is being cared for. No other ex-
hibit is receiving better attention.

Richmond-Durham Nuptials.

On the evening of July 16th at
the Presbyterian church, in the
presence of a large audience, Mr.
Albert A. Richmond and Miss
Della B. Durham took the vows that
made them one. Deft hands had hand-
somerly decorated the church with
flowers, evergreens and a veritable
maze of potted plants. A large
floral bell was suspended above the
altar, under which the couple stood.
Rev. Mr. Baker of Wellington,
Texas preached the usual service,
after which an excellent male
quartette sang, following which
Miss Neva Perkins played Concones'
Wedding march. As the sweet
strains floated out, the bride, hand-
somerly attired in white silk lands-
down made up in the latest Paris
fashion, leaning on the arm of Miss
Nellie Richmond, her bridesmaid,
who was also finely attired, entered
the church by the east door, pro-
ceeded by her brother Mr. Nelson
Durham, as usher and little Miss
Walker as "The Flower Girl." At
the same time the groom, accompa-
nyed by Mr. Thomas Medley as
groomsmen and preceded by Mr.
Merton Earl as usher came in at
the west door. The music grew
sweeter as the two marched to its
time. The bride and groom met
immediately under the floral "Wed-
ding Bell" and in front of Mr.
Grace, who in a few choice and
eloquent words used a beautiful
ring ceremony, after the exchange
of the marital vows and the placing
of the ring, closing with the words
"And they twain shall be one flesh,
by the authority vested in me by
the laws of the State of Oregon and
being a minister of the Gospel in
the Presbyterian Church I pro-
nounce you man and wife." After a
brief prayer the bridal party
marched out to the melodious music
some rendered while all wished
them the best of lives blessings.

After reaching the home of the
bride's parents dainty and delight-
ful refreshments were served. Mr.
and Mrs. Richmond departed to

The Sunday School room of the
church was opened, but with all the
room there was not enough space to
accommodate the many friends who
came to wish them a long and
happy life. Many relatives and
friends had come from a long dis-
tance to be present at this time. The
many fine and valuable presents re-
ceived really amounted to quite a
sum, and their number precludes
their being described in detail.
