WEDNESDAY, DECEMBER 13, 1905

The Commercial Club is going to have its 10 new members and probably 15 or 20 for its Rally Day meeting next Monday night. The club is after members and proposes to have a united Cottage Grove, as well as United Oregon.

Real estate must be valuable in Cottage Grove from the way it is sought after. Men are continually after more such investments and most people seem to be willing to hold, expecting that things will be doing soon, and it looks as though their hopes had a sure foundation. An offer for an unimproved corner on Main street was recently refused for \$3000.

We don't have much use for people that sympathize with people who try to beat corporations, and get in trouble over it, saying it is all right to steal or cheat or impose on a corporation. Stealing is stealing, whether from an individual or a corporation, and should be published alike, though often the man that steals a loaf of bread is worse punished than the man that steals a fortune.

The new Stewart hotel building is being rapidly pushed to completion. The office is being put into good condition, and will make a fine room when completed. The Barker saloon is being papered and painted and they expect to move in this week sometime. Mr. Barker continues to rent the old building for some time.

Subjects for Next Sunday at the Christian Church.

Subject, 11 a. m., "The One Thing We Must Have." Subject, 7:30 p. m., "How the Holy Spirit Bearer Witness With Our Spirits That We are the Children of God." Rev. Olson will preach a "String Sermon" at 3 p. m. to the children, to which all the children of Cottage Grove are invited to come, bring a string just as long as you are high and hear something interesting.

A Cooking Demonstration

The Woman's Club of Cottage Grove will spend their Saturday afternoon this week with "Marion Harland" and the committee of the day, composed of Mesdames James C. Johnson, H. O. Thompson, Herbert Eakin and Paul Jones will demonstrate her receipts for the edification and enjoyment of the other members. The club is enjoying a splendid year's work. The Christmas program will be a social evening at the home of Mrs. F. D. Wheeler and it is rumored that a great time is in store for the ladies and their husbands, who are permitted that night to delve in the mysteries of a woman's society doings. We hope the men will get home safe and sound.

The Milk Maids are Coming

Everyone of them pretty maids too. On Saturday night 25 milk maids—the regular every day kind—all home talent too—will give an evening's entertainment in character costumes, that you cannot miss, for if you do you will never forgive yourself. Third Annual.

Admission is free.

The High School

Seniors.

The basket ball team is practicing hard now to play in Eugene next Saturday. We hope they will carry our colors to victory again.

Alice Huff was absent from school last Friday afternoon.

Last Wednesday afternoon, one of our directors, Mr. F. B. Phillips, visited the senior economic class. He reported having enjoyed the recitation very much. The class would like very much to have any one, who can, visit them in their studies.

Monday's recitation in economics was a discussion relating to bimetalism and monometalism. The papers and notes were well prepared and it proved an interesting lesson. Our economics is a very interesting study and should have a great deal of attention paid to it by the pupils.
