Klamath Falls--At the next session of the Oregon legislature, the state of Oregon will be asked to appropriate $1 million for the construction of a new highway between Klamath Falls and Eugene.

The bill filed by the member of the legislature from Klamath Falls last week was introduced by the state Senator from Klamath Falls, who stated that the highway would be of great benefit to the people of Klamath Falls and the surrounding area.

The bill was passed by the legislature and signed by the Governor, and a federal grant of $500,000 was made for the construction of the highway.

The highway will be constructed by the state Highway Department and will be opened to traffic in the spring of 1928.

The highway will be 40 miles long and will cost $1 million.

The highway will be built of concrete and will have two lanes for traffic.
