HUMAN BLOOD MARKS.
A tale of horror was told by marks of human blood in the home of J. W. Williams, a well-known merchant of Bac, Ky. He writes: "Twenty years ago I had severe hemorrhages of the lungs, and was near death when I began taking Dr. King's New Discovery. It completely cured me and I have remained well ever since." It cures hemorrhages, chronic coughs, settled colds and bronchitis, and is the only known cure for weak lungs. Every bottle guaranteed by Benson's Pharmacy. 50c and \$1. Trial bottle free.

London Briefs.

The London Mineral Springs hotel opened up for business Monday of this week with John McMaster as manager for the season. His son Hugh and daughter Lulu to help in the work. The hotel will be run in first class style. Mrs. McMaster with another daughter will be up from Porter, Washington in a short time to join her husband Mr. M. P. Fassett of Portland is the first arrival at the hotel as a regular boarder. He seems to enjoy his visit and baths in good style, he is looking fine, being an old patron of the hotel. We always welcome our old friends at London. Mr. J. N. Hogue of Alsea Valley, Benton County, has rented a house and is one of us for at least a while. Mr. Hogue is in quest of health and we predict a beneficial visit with us. His wife and little granddaughter compose the family.

Thomas Geer, a brother of the present manager of the Oregon Mineral Springs Association, arrived from Moscow, Idaho on Wednesday evening with his wife. They come to make London their future home. This is the scene of his early life. He has many friends and relatives to welcome him to the old home where he spent his childhood happy hours. His wife is a grand daughter of the old historic Joab Powell.

Mr. P. G. Carnicle and wife of Idaho, the father-in-law of Thomas Geer came with him and will make their home with Mr. Geer in the future as they are getting quite old.

Mrs. Ann Carnicle, whose name was Powell, was a daughter of Joab Powell, an old time divine of the pioneer days of Oregon whose unique character and eccentricities has indelibly fixed his memory on most all of the old settlers of Oregon and his name and memory are as common as household goods. His quaint saying and humorous expressions are recited with great pleasure and satisfaction to many an old pioneer. They have celebrated their 53d wedding day, yet they enjoy a fair degree of the old age and may be with many years yet.

The London Mineral Springs bottling plant has been closed about one week on account of the supply of crown corks being exhausted. The supply will be in immediately from Baltimore, Maryland, when work will be resumed.

The recent warm weather is having a fine effect on the early vegetables and we anticipate a beautiful supply of early garden products for the market.

The Church of Christ meeting at Liberty Chapel, London, after an appeal by one of the members contributed \$5.50 for the relief of the Japan famine sufferers, the starving cry of the Orient Japan is pathetic and sad and with a free heart and liberal hand the American people are responding to the sorrowful wail of hunger and death. Happiness is enjoyed more by the giver than receiver.

VERITAS

IS THE MOON INHABITED.
Science has proven that the moon has an atmosphere, which makes life in some form possible on that satellite but not for human beings, who have a hard enough time on this earth of ours; especially those who don't know that Electric Bitters cure headache, biliousness, malaria, chills and fever, jaundice, dyspepsia, dizziness, torpid liver, kidney complaints, general debility and female weaknesses. Unequalled as a general tonic and appetizer for weak persons and especially for the aged. It induces sound sleep. Fully guaranteed by Benson's Pharmacy. Price only 50c.

GAR Men and Others Attention.
Commander Woods requests us to publish the following extract from General Order No. 7 of the Oregon Headquarters:
The Department Judge Advocate calls attention to the fact that it is a violation of the Statute Laws of Oregon for any one not a member in good standing to wear the G. A. R. button. The attention of those violating this law should kindly be called to this and they urge to unite with us or desist in this practice.

DEVIL'S ISLAND TORTURE.
Is no worse than the terrible case of Piles that afflicted me 10 years. Then I was advised to apply Bucklen's Arnica salve and less than a box permanently cured me, writes L. S. Napier, of Rugles, Ky. Heals all wounds, burns and sores like magic, 25c at Benson's Pharmacy.

The State Grange, Patrons of Husbandry is endorsing an annual license tax upon the gross earnings of oil, sleeping car and refrigerator car companies, and the other for a similar tax on express, telegraph, and telephone companies. The Grange has labored long to secure a more equal taxation in Oregon, and has petitioned for these laws in the expectation that every taxpayer and fair-minded citizen would support them.

August Flower keeps the children healthy and strong.
Full of vigor and frolic the whole day long, so when mamma needs more they rush off in high glee. And about to the druggist: "Please give it to me!"

Ability to get up brisk and fresh in the morning, lack of appetite, pallor, muddy complexion and poor spirits—these all indicate a disordered stomach and bad digestion—in adults and children too. They also indicate the urgent need of taking Green's August Flower regularly for a few days.

It's a reliable old remedy for all stomach troubles, never fails to cure indigestion, dyspepsia and chronic constipation, and is a natural tonic for body and mind. u Two sizes, 25c and 75c. All druggists.
