The Oregon Secretary of State expects to begin the mail-in voting on the 2020 presidential election in August. Voters will receive their ballots in the mail, and they will be able to return them by mail or drop them off at a designated location. The deadline for returning ballots is November 3, 2020. This system is designed to ensure that all eligible citizens have access to the ballot and can participate in the democratic process. The Oregon Secretary of State is working with local and state agencies to ensure that the election is conducted safely and securely, with appropriate security measures in place. The state is also working to ensure that voters have access to information about the election process and how to vote, through a variety of channels including social media, television, radio, and print advertising. The Secretary of State is committed to ensuring that every Oregonian has the opportunity to vote and that the election is conducted fairly and transparently.
