CHAPTER XXXV

A Milton approached the nation, and

the past is in the present. The

next generation is the present. The

past generation is in the past. The

next generation is in the present.

THE SINNER'S CRANE

A story which begins when the Cir-

rus Newsboy has a turning con-

fronted by the man who is his best

friend. It is his story of a man who

forces his way into the man's heart.

The man becomes his master. A

story of a man who is turned into a

man. A story of a man who is made

for the man whose heart he forces

his way into. A story of a man who

is turned into a man.
