### Fourth of July Celebration.

The Fourth of July Committee has been getting out a number of large posters which will be put up all over the county calling attention to Cottage Grove's celebration. Other smaller posters will also be sent around.

A great time is coming. Good music all day. Public speaking. Many games and contests are to be held. The rock falling contest will attract all the masses, the wood hauling will amuse the boys. Come out and all, and enjoy the day with us.

### The Money Will be in Sight.

The Cottage Grove Bank when it gets its new bank building completed will have its managers and staff standing on a platform just inside the front window, in full view of everybody. The foundations are well under way, and as soon as the weather settles the work on the building will be pushed.

### The Lumber Company.

The Star Lumber Company have closed down for a few days, they expect a profitable business and lots of it in sight. The members of the company are all home men in a home industry and their success only goes to show what others might do in producing or developing the varied resources close by. If they will only get together, with their time and money and stay together long enough to accomplish something.

### INDIGESTION'S RECORD

"The best remedy I can prescribe for your indigestion, nausea, is Green's August Flower. I know of several other physicians who prescribe it regularly."

Indigestion is making an awful record as a cause of sudden death. It is beating heart-failure in its ghastly harvest. You read in the papers daily of apparently healthy and even robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in.

This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures. August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way.
