## INDEPENDENCE DAY.

The Fourth is being celebrated today in the usual Fourth of July style. A good programme is being given in the grove and the boys and girls are making all the noise they can and running all the risks they can of getting burned, but not one in a thousand of them thinks of why the day is celebrated, or of why we should celebrate it.

Today is the anniversary of the signing of the Nations Declaration of Independence, and its consequent war, and final freedom from England's rule and the day should rightly be celebrated, and that joyously too, but is the day of the firing of firecrackers, and guns, and all kinds of outlandish noises, and races and games a fitting celebration. Some of the people of the country have seen fit to protest against the usual kind of a celebration and throughout the country each year, less of the noise and bluster is being heard, probably some of it however, is due to the terrible accidents in loss of life, and the injured thousands and to the terrible fires through explosions of the fireworks, yet a great stride is being made towards a noiseless Fourth.

In Cottage Grove we will have a very noisy Fourth, though the City Dads are seriously thinking of excluding the big crackers from Main street and wisely too, as they are a serious menace to the safety of not alone the people firing them, but of the passerby and teams.

Hurray for the Fourth with its memories and its importance to our Nation. May the day forever be celebrated and that in whatever form it is, may the original day be prominent, fraught as it was with the destinies of the greatest nation of the world, rising greater and greater each year, including in her bounds more and more of the people of the earth, and adding to civilization new ideas of citizenship and power, until she stands supreme, overtopping the other nations of the globe.

Cottage Grove was dry in more ways than one on Monday.

Cottage Grove musicians are trying to form a choral union, and want to do first class work. It will be a good thing for the town and for every singer and musician in it. It behooves every singer in the town to join, or if impossible to do that to use their influence and do what they can to help it along. A good choral union would give us music enjoyable music and would benefit every singer. Send in your name to the officers and join next Sunday.

Cottage Grove people have the S. P. to thank for extending the local to the Grove. The change was originally brought up by the Commercial Club, who took the matter up with the superintendent of the road, and the investigation then commenced, which resulted in the change being made.

The people appreciate the change and the work of the club in working the matter up, and thank the railroad for the interest it shows in the town, and they hope that the travel secured from the town will repay for the expense incurred.

### Prohibition Declared.

The county court met in adjourned session yesterday morning and passed an order declaring prohibition to exist in Lane county from

midnight July 1. Hereafter, until the qualified voters change the order, it shall be unlawful to sell or give away any intoxicating liquors, except on the written order of a regular practicing physician. Prescriptions shall be used but once, and must be cancelled with the word "Cancelled" and the date by the pharmacist filling the prescription, which must state that the one bearing the prescription is actually sick.

The fine for violation of the law is from \$50 to \$500 or by imprisonment in the county jail not less than ten days nor more than 30 days, or both at the discretion of the court. A second violation is punishable by both fine and imprisonment—Sunday Register.

### No Giant Firecrackers or High Explosives to be Fired Today

The City Council met in its regular monthly session on Monday night. A petition was read asking that the council prohibit the firing of giant fire crackers, bombs, and high explosives from 8 a. m. to 6 p. m. on the Fourth of July. The petition was accepted and the marshal was instructed to see that it was obeyed.

A petition was presented asking that 1000 feet of water pipe be laid on the south end of Fourth street, and two fire hydrants installed. This was referred to the water committee.

A remonstrance was read from property holders, objecting to the proposed improvement of Third street and was referred to the street committee.

An ordinance providing for the improvement of Mill street was passed on all three readings, as was also an ordinance providing for the improvement of the north end of Weber street.

Councilman W. A. Hogate presented his resignation to the council, on account of his being away from the city from now on. It was accepted but the election of a successor was postponed until the next meeting.

The council ordered warrants drawn to the seven saloon keepers whose licenses were paid in advance for the unexpired term, amounting to \$140.25 each.

The bills of Griffin & Veatch for plumbing repairs, and of A. G. Long for new hose were referred to the water committee, other monthly bills were referred to the finance committee, and after being acted upon were ordered paid, as follows:

J. E. Young, salary	\$ 8 33
G. B. Pitcher, watchman	60 00
Ed Underwood, marshal	60 00
Will. Valley Co., lights	221 00
Thos. Allen, labor	40
Western Oregon, printing books	6 75
Geo. Lea, extra work 4th street	34 00
Veatch & Schmitz, transfer	1 00
John Graber, rebate on taxes	3 84
T. W. Blew	140 25
Barney O'Neill	140 25
John Barker	140 25
Pape Bros.	140 25
A. Graham	140 25
Fred Ware	140 25
C. C. Case	140 25

The Council then adjourned until next Monday night.

As the city treasury was practically depleted of funds, Mayor Job took up four of the saloon warrants, and the First National Bank will take up the others, as they will draw interest until paid by the city.

### Trespass on Agricultural Lands Before Opening Under the Act of June 11, 1906

To Forest Officers in Charge. The act above mentioned, which provides for the classification and listing of lands chiefly valuable for agriculture in forest reserves expressly provides that no future settlement on any lands within forest reserves is authorized until they have been publicly declared open to settlement by the Secretary of the Interior. Any settlement on such lands prior to the opening by the Secretary of the Interior will not only confer no rights on the settler but will constitute trespass.

You will please be diligent in discovering and preventing any such trespasses and report them promptly to the Forester.

Please give the widest possible publicity to this order to discourage such settlement and to prevent loss and trouble to intending settlers.

(Signed) Overton W. Price,  
Associate Forester

### ONLY 82 YEARS OLD.

"I am only 82 years old and don't expect even when I get to be real old to feel that way as long as I can get Electric Bitters," says Mrs. E. H. Brunson, of Bußilla, Ga. Surely there's nothing else keeps the old as young and makes the weak as strong as this grand tonic medicine. Dyspepsia, torpid liver, inflamed kidneys or chronic constipation are unknown after taking Electric Bitters a reasonable time. Guaranteed by Benson's Pharmacy. Price 50c.

Mrs. J. H. Bartels and daughter returned from a trip north on Monday.

### Cupids Beat the Skidoos

Eugeho's Cupids were a varied collection last Sunday, and seem to have been gathered from all over the state, but it was all they could do even then to beat the Skidoos of Cottage Grove with a score of 8 to 6. Cottage Grove held the score at 6 to 5 in the eighth inning, but one of the Cupid's bats charmed the ball, and three Cupids crossed home plate and ran the score 8 to 6 where they held it through the ninth. The game was full of many unlooked for happenings, and was a scorcher from start to finish. Cottage Grove boys came very close to winning out and are in hopes of having another game and doing the deed up right. Now that the local is running, the boys will have a better chance.

### Married.

VAN WINKLE-HUTCHINSON.

Wednesday evening, June 27th, marked the marriage of Miss Elizabeth Hutchinson to Dr. J. O. Van Winkle of Wendling, Ore., at the home of the bride's parents. The father of the groom Rev. I. N. Van Winkle, a Methodist preacher of Halsey, Linn County, officiated as clergyman. The only guests present were the immediate relatives of both the bride and groom, although quite a wedding party had been arranged but was abandoned on account of the feeble health of the bride's mother who has been suffering from a second attack of pneumonia.

Dr. Van Winkle is the physician for the Booth-Kelley employees at Wendling and has a nice practice, and the happy couple will make their home there after returning from their wedding trip through the valley. Miss Hutchinson is well known here, having been a teacher for some time in the schools, and the doctor in taking her to Wendling robs Cottage Grove of another of her fair young ladies.

### GILB CURRIN.

A pretty June wedding occurred at the home of Mr. and Mrs. J. W. Currin, Cottage Grove, Oregon, on Wednesday evening, June 27th, the occasion being the marriage of their charming daughter, Marie Oliva to Mr. Robert L. Gile.

The house was lavishly decorated with ferns, LaFrance roses, sweet peas and smilax. Just before the ceremony Mr. Isham sang with good voice and fine expression, "O Promise Me", with Mrs. Jas. Benson presiding at the piano. To the soft strains of the wedding march the groom and his friend, Mr. Zopher N. Agee, took their place in the corner of the parlor which was banked with roses and ferns and beneath a beautiful canopy of white roses, they were followed immediately by Mary Ellen Benson and Vivian Isham, charming flower girls, scattering the way with rose petals. The bride, gowned in a handsome creation of silk mull, and accompanied by Miss Reta Cobb of Roseburg then took their position completing the wedding party and Rev. S. E. Meninger said the words which made these two young people husband and wife.

Not often are the fortunes of two young lives launched under more pleasing and favorable circumstances. Miss Currin is known and loved by a large circle of friends. Mr. Gile is the trusted representative in the south half of Oregon, for the firm of H. S. Gile & Co. of Salem, and has made a decided success of the large dried fruit line and other interests of his firm.

The happy couple left at once for a ten days' sojourn at Newport, but will shortly take up their residence in Roseburg, where they will be at home to their many friends.

About thirty intimate friends witnessed the ceremony. Among the out of town guests were: The groom's father, R. M. Giles from Smith Falls, Canada; H. S. Gile and wife, Salem; Hon. and Mrs. Marsters, Miss Byrd, Miss Cobb and Mr. Agee, Roseburg.

A more exquisite and useful lot of gifts than those received by Mr. and Mrs. Gile would be hard to imagine.

### A TRAGIC FINISH.

A watchman's neglect, permitted a leak in the great North Sen dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland. In like manner Kennet's Melver, of Vaneboro, Me., permitted a little cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold; but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure, at Benson's Pharmacy. 50c and \$1. Trial bottle free.

In adopting a new tariff law Japan took the Dingley tariff as its general guide and pattern. Though in alliance with England in certain respects, Japan decidedly prefers protection to free-trade. The protective policy is steadily growing, that of free-trade is declining.—St. Louis "Globe-Democrat."
