A GREAT DAY AT THE GROVE

National Independence Day 2
Gain One in the History of the Town.

College Grove made a record for itself by her celebration of the Fourth. Thousands of people from the territory, within reach of the railroad, flocked to the Grove last day and joined in the grand pageant of the day. The program opened with a parade led by the band and followed by a group of incidents which are to be reported in detail later. The grandest of these incidents was the grand fling and all things come to life in Portland.

E. W. Dyer has been appointed the final head of the E. W. Dyer Company in College Grove.
