TWO HUNDRED DOWN.

Italian immigrant ship steers away off Coast of Spain.

Carthagena, Spain, Aug. 16.--Three

hundred Italian immigrants, bound for the United States, have

been rescued off the coast of Spain.

Three hundred of the immigrants, most of them women, are

in a wretched condition, and are expected to arrive in the United States within a month.

The ship was steered away from the Spanish coast under the command of Captain 

Bellini, and is expected to arrive in New York within a month.

ST. PETERSBURG, July 4. (Special to the Times.)--A

grand relief fund is to be raised in the United States for the

benefit of the Italian immigrants. The fund will be used to

pay the expenses of the immigrants and to provide them with

medical and dental care.

main loyal to Czar.

The mutineers have seized the subversives, and only four companies of infantry remain loyal to Czar.

The mutineers have taken control of the government, and have declared a new constitution.

The general strike has continued, and the situation is still very uncertain.

MAY EXPULSE EUROPE

Letters to Four American Trade

May Expel Europe.

The United States may expel Europe from its trade, according to letters to four American trade.

The letters were written by prominent business men, and they call for the expulsion of Europe from the American market.

The letters are in response to the recent action of Europe, which has imposed high tariffs on American goods.

The United States government has not yet responded to the letters.
