CITIZEN'S WANT FRANCHISE

The citizens of Cottage Grove have an effort under way to secure the fruit growers "at least a voice" in the coming election. This is the issue on which the present contest has been fought and won in the past. The issue is a simple one and is to the voter's advantage, being a simple and direct one.

The Cottage Grove and neighboring communities have been working hard to secure the vote of the fruit growers. The local people have been very active and have made a great effort to secure the support of the fruit growers. The issue is of great importance and is to the benefit of all concerned.
