The Origin of Salmon.

The name salmon is given in England and all western states to a large trout-like fish which lives in the sea chiefly about the months of rivers, and which enters the streams to spawn, running for a considerable distance up the stream and returning to the sea after the act of spawning is accomplished, says a writer in the Pacific Monthly. The old males become somewhat distorted, especially through the lengthening of the jaws, but the changes with age and season are not much greater than in any large trout. The true salmon, like the true trout, Is black spotted. It is called in science Salmo salar, and along with the true trout it belongs to the genus Salmo. There is only one species of Atlantic salmon; it is found on both sides of the ocean, and on both sides it be replace the cap or stem part, which you comes semetimes land locked and cut off, so that it will look as if it dwarfish when it is shut up in a lake were still whole, and place it on yourand when it cannot or does not go tea-table. Surrounded by ferns and to the sen.

WORN TO A SKELETON.

A Wonderful Restoration Caused a Sensation in a Pennsylvania Town Mrs. Charles M. Preston of Elkland, Pa., says: "Three years ago I found

that my housework was becoming a burden. I tired easily, had no ambition and was fading fast. My complexion got yellow, and I lost over 50 pounds. My thirst was terrible, and there was sugar in the kidney secre-

tions. My doctor kept me on a strict diet, but as his medicine was not helping me I began using Doan's Kidney Pills. They helped me at once, and soon all traces of sugar disappeared. I have regained my former weight and am perfectly well." Sold by all dealers. 50 cents a box. Foster-Milburn Co., Buffalo, N. Y.

Criminal Specifug. Great public interest is being mani-

fested in the case of a man who has been prosecuted for sneezing in a pub-He street. The hero of the incident is one Johann Furtmann, a resident of Muhihausen, a small town in Prussian Saxony. Furtmann, who is highly respected by his fellow citizens, sneezed somewhat loudly in the main street of Muhlhausen. A policemean arrested him on a charge of creating a disturbance. The local police authorities prosecuted Furtmann on a charge of the caller. gross misdemeanor and rendering himself a public nulsance. After a lengthy trial Furtmann was acquitted. The police authorities appealed against the medical evidence to prove that a polypus in the nose prevented him sneezing arrest occurred.
