Help! Help! I'm Falling

Thus cried the hair. And a kind neighbor came to the rescue with a bottle of Ayer's Hair Vigor. The hair was saved in the nick of time and the long and heavy, and with all the dark, rich color of very life. Sold in all parts of the world for sixty years.

SKIN DISEASES

ACNE, TETTER, ECZEMA, PсорIA5IS, SALT RHEUM.

There is nothing more distressing than an itching, burning skin disease, and upon the return of warm weather those who are troubled with skin troubles find the sunny weather adds to their distress. We have men, women, and children suffering from skin diseases who were helped by the treatment of Miss E. W. Dowd, the winter of 1895. The treatment is quite successful in the summer, but we have found that many more cases are coming in the fall and winter, the sun being too hot and the air too dry for the skin.

The treatment is a simple one, and the patients are taken care of as soon as possible. The treatment consists of the use of herbs, oils, and other substances applied externally and internally, and the patients are instructed in the use of proper remedies. The treatment is successful in the majority of cases, and the patients are satisfied with the results.
