R. B. P. Rooster, Clark, a former newspaper man of Roseburg, who buncoed quite a number of citizens out of some of their hard earned cash by "working up" an advertising book on Douglas county which never fully materialized, is now a fugitive from justice. On Dec. 8, last he forged a check for \$200 on a bank in New Orleans. The check was drawn on a business firm in Fairview, Nev., where Clark was formerly employed. So far the authorities have been unable to locate him. -Review

The concert given at the opera house last Thursday evening by the Royal Male Quartette was one of the best entertainments of its kind ever given in that hall. Nearly every seat was occupied and every number on the program was heartily applauded. The members of the quartette are finished singers and they were not the least bit "pinchy" about responding to encores. The readings by Mr. Boyd were fascinating. Not only was the audience highly pleased with the entertainment, but the lecture association feel highly gratified. -Herald, Union, Iowa.

Our expectations were far more than realized in the Royal Male Quartette. Not only were we more than satisfied, but the audience was unusually enthusiastic in its reception of the program. We were especially delighted that the repertoire contained several sacred songs and that the readings were not devoid of moral tone. Several said it was the best quartette they ever heard and others called it the best thing ever in town. We should not be afraid to bill them again next season with the same program and think standing room would be in demand. Mrs. H. W. Janson, Beresford, South Dakota.

Coasting on McFarland's Hill.

A jolly crowd of boys and girls enjoyed an afternoons coasting on McFarland's hill.

DANGER LURKS IN THE USE OF ANY STROP BUT A RADIUMITE! Terrible skin diseases, such as CANCER, BARKERS' ITCH, ECZEMA and BLOOD POISON, often result from the use of imperfectly stropped razors that cut, irritate and open the skin, thus admitting the terrible bacilli that lurk in the animal parts of shaving soaps, hair shaving brushes, and in the air itself.

THE ONLY PERFECT STROP IS THE RADIUMITE Don't use the worthless, heavy, double, cushion cow stropps so generally sold, and with two times dealers out of ten will try to affect you. They are so much old junk, pure and simple. The word Radiumite stands for perfection in razor stropping. Buy a Radiumite strop and take no substitute—no matter how handsome it may appear. Danger lurks in the use of any strop but a Radiumite.
