Reception and Banquet at the Drain Normal School.
In accordance with the invitation tendered members of the Cottage Grove Commercial Club by President A. L. Briggs of the Drain Normal School to be present and attend a reception and banquet given by the students to the invited guests, Messrs. Marion Veatch, F. D. Wheeler, T. W. Jenkins, W. H. Abrams and F. H. Rosenberg, accompanied by their wives, took the Thursday afternoon train for that point and after a delay of several hours arrived at their destination.
At eight o'clock when the meeting was called to order by the President a large audience composed of the students and their friends faced the speaker of the evening Professor Shaffer, of the University of Oregon.
The program was opened by a sextette of young ladies followed by the address of the evening on "History of the Northwest" more particularly as relates to Oregon and was a most masterly and entertaining effort.
The closing was a quartette of the young male students and the piece they sang showed the effects of long and hard training.
At the close of the program the audience was invited to the dining room of the school where a repast "fit to tempt the Gods" had been prepared by the students under the perfect supervision of Mrs. Brown.
It certainly was an elegant repast and after it was over remarks were made by the visitors present and special notice must be made of those of Professor Shaffer and Representative elect Edwards of Lane county, who pledged himself to work and do all in his power to further the good interests of the school at the coming meeting of the Legislature.

IF YOU WANT CASH
For Your Real Estate or Business
I CAN GET IT No Matter What Your Property is Worth, or in What Town, City, State or Territory it is Located

If I did not have the ability and facilities to sell your property I certainly could not afford to pay for this advertisement. This "ad" (like all other "ads") is practically sure to place on my list a number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads" and make a good profit besides. That is why I have so large a real estate business today.
Why not put your property among the number that will be sold as a result of these "ads"?
I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers.
I do not handle all lines usually carried by the ordinary real estate agents. I MUST SELL real estate—and lots of it—or go out of business. I can assure you I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the past year, but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL it. It doesn't matter whether you have a farm, a home without any land, or a business; it doesn't matter what it is worth, or where it is located. If you will fill out the blank letter of inquiry below and mail it to me today, I will tell you how and why I can quickly convert the property into cash, and will give you my complete plan.

FREE OF CHARGE
and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.
If you want to buy any kind of a Farm, House or Business, in any part of the country, tell me your requirements. I will guarantee to fill them promptly and satisfactorily.
