R. C. Johnson, a prominent lumberman of San Francisco, is visiting Cottage Grove in the interests of his company. He reports extreme cold weather for that part of the country stating that a fall of snow was on the ground the first time in a long time and that the people there were spending all their time enjoying the coasting.

V. C. Loudon and C. P. Jones have bought the Cottage Grove Planing mill of W. H. Abrams. Messrs. London and Jones have been connected with the O. & S. E. R. R. nearly from the beginning. Now they have decided to settle in the Grove and add the name of a new firm to our business community, which in turn welcomes the new enterprise.

Mr. McCarty representing Tatum & Bowen was in town for a short trip. He states that all along the line of the railroad mills are doing nothing on account of the shortage of cars and the cold weather; it is expected however that the mills will be in shape to run by the first of February in anticipation that the pending legislation will induce the railroads to put an end to the car shortage.

LeRoy in Southern Oregon.

J. A. Hart, for years past living on Quartz creek near Merlin was in Grants Pass last week. Mr. Hart states that he has just sold the home place of 160 acres to A. D. LeRoy of Portland, who is buying it with a view to developing a promising copper ledge on the property. there has been some development work done already and one car of ore was snipped some time ago to the Puget Sound smelter and showed good values. As Mr. Hart has reached the age of 73 he feels that developing a copper property is too big an undertaking for him to attempt. He expects to buy a home near Merlin where he and his wife will live.—Rogue River Courier

Lumber Rafts

The latest enterprise on the Columbia river is the towage of lumber rafts. Not being able to get cars to ship their products, some of the mills along the river which have never been anything else but rail shippers, have hit upon the idea of building lumber rafts and towing them to some point suitable for loading on vessels. If the experiment is successful there will be a number of rail shippers added to the cargo shippers. Thus another departure in shipping can be added to the effects of the car shortage.

FREE AT OUR STORE While They Last
See Our Radiumite Window Display

We have received a fine new, special lot, of handsome, hand-forged, hollow ground Radiumite Razors that usually sell at $2.00 each at retail, which we will give away absolutely free to advertise the wonderful

RADIUMITE DOLLAR RAZOR STROP

which is light, pliable, durable, convenient, and safe, and which is revolutionizing the art of shaving.

A RAZOR GIVEN FREE To The PURCHASER of EACH STROP

CALL TODAY AS THEY ARE GOING FAST. We make this remarkable free offer of a most excellent razor, that sells at $2.00 at retail, to acquaint all with the marvelous and instantaneous honing and finishing properties of the Radiumite Strops, which will not harm the finest and most delicate razor. They make shaving a convenience and a delight, even to men having the hardest beards.

The secret of a quick, clean shave does not lie so much in a good razor as in a good strop. With the RADIUMITE STROPS the most inferior razors are brought up to a fine edge, and the effect of the strops upon the finest razors is to keep them at all times in the best possible condition, ready to shave the hardest beards easily and delightfully. Each Radiumite Strop is sold under the positive guarantee that if it is not satisfactory money will be refunded. They are for either Ordinary or Safety Razors.

Radiumite Strops, 50c to $2.50; Razors, $1 to $3

DANGER LURKS IN THE USE OF ANY STROP BUT A RADIUMITE!

Horrible skin diseases, such as CANCER, BARBERS' ITCH, ECZEMA and BLOOD POISON, often result from the use of imperfectly stropped razors that cut, irritate and open the skin, thus admitting the terrible bacilli that lurk in the animal parts of shaving soaps, hair shaving brushes, and in the air itself.

THE ONLY PERFECT STROP IS THE RADIUMITE

Don't use the worthless, heavy, double, common cow strops so generally sold, and with which nine dealers out of ten will try to afflict you. They are so much old junk, pure and simple. The word Radiumite stands for perfection in razor strop making. Buy a Radiumite strop and take no substitute—no matter how handsome it may appear. Danger lurks in the use of any strop but a Radiumite.
