BOHEMIA MINING DISTRICT
SHOULD BE IN ONE COUNTY

In behalf of the nine corners and counties of the Bohemia Mining District, and the rights and interests therein, we respectfully suggest that the several counties be merged into one with reference to the mining interests. The mining counties are as follows:

1. Douglas County, Ill.
2. Douglas County, Ind.
3. Lane County, Ill.
4. Douglas County, Mo.
5. Douglas County, N. Dak.
7. Douglas County, Wis.

The union of these counties into one would be of the utmost benefit to the inhabitants of the region and the State of Oregon as a whole. The following reasons are some of the principal:

1. The mining interests would be more easily handled and controlled.
2. The mining and milling companies would have a better opportunity for expansion and development.
3. The transportation facilities would be improved.

In conclusion, we earnestly recommend that the counties be merged into one for the benefit of all concerned.

Sincerely yours,
