RADIUMITE DOLLAR RAZOR STROP
which is light, pliable, durable, convenient, and safe, and which is revolutionizing the art of shaving.
A RAZOR GIVEN FREE TO THE PURCHASER OF EACH STROP
CALL TODAY AS THEY ARE GOING FAST.
We make this remarkable free offer of a most excellent razor, that with \$2.00 will give you all the marvelous and instantaneous lathering and finishing properties of the Radiumite Strop, which will not harm the face and most delicate razor. They make shaving a convenience and a delight, even to men having the hardest beards.
The secret of a quick, clean shave does not lie so much in a good razor as in a good strop. With the RADIUMITE STROP the most inferior razors are brought up to a fine edge, and the effect of the razor upon the face is to keep them still times in the best possible condition, ready to shave the hardest beards easily and delightfully. Each Radiumite Strop is held under the positive guarantee that if it is not satisfactory money will be refunded. They are for either ordinary or safety razors.
Radiumite Stropps, 50c to \$2.50; Razors, \$1 to \$3
DANGER LURKS IN THE USE OF ANY STROP BUT A RADIUMITE!
If you use stropps such as CANE, BARBERS'ITCH, SCISSOR and BLOOD POISON, when shaved from the use of imperfectly stropped razors that cut, irritate and open the skin, thus admitting the terrible bacilli that lurk in the animal parts of shaving soaps, hair shaving brushes, and in the air itself.
THE ONLY PERFECT STROP IS THE RADIUMITE
Don't use the worthless, heavy, double, common cow stropp so generally sold, and with which care dealers out of ten will try to afflict you. They are so much old junk, pure and simple. The word Radiumite stands for perfection in razor stropp shaving. Buy a Radiumite strop and take no substitute—no matter how handsome it may appear. Danger lurks in the use of any strop but a Radiumite.
