

## Graphophone FREE

Occasionally persons desiring to purchase a Graphophone conclude that they can secure a lower price on a machine by buying at Eugene, Portland, or by sending East. We want to make those persons the following proposition:

Anyone laying proof before us to the effect that they or any of their friends have purchased or can purchase any type of Edison, Columbia or Victor Graphophone or records at any of the above mentioned places, any cheaper than we are selling the same, will be given a Graphophone absolutely free. Every agent is bound by the same contract to sell only at the prices fixed by the factory and any agent doing otherwise is promptly suspended.

When you buy elsewhere you are simply out the express, freight or your car fare in transaction.

Buy from your local dealer who is here to stay and make good all guarantee.

### State Militia.

Application has been made to Adjutant General Finzer for the establishment of a company of the Oregon National Guardsmen by seventy young business men of Cottage Grove. It is understood that there are to be four new companies formed. There are seven applications. Cottage Grove stands a good show. Bert Lawson deserves much credit for the work he has done in getting the matter in shape and ready to present to the state officials.

### One for Cottage Grove.

Cottage Grove has about 2000 population but its citizens are among the most active in the state. To our neighboring city is due largely the result of the legislature action, giving Oregon a railroad commission and appointment of a leading citizen of that place as a member of the commission is only deserved recognition of the Grove for the work it has done. Western Oregon can doff its hat to Cottage Grove without making a mistake.—Eugene Register.

### Golden Slipper.

Edd Jenks and Ben Curry have completed their contract on the Golden Slipper mining claims in Bohemia. They came to the city Monday and will take a rest. They report a nice body of ore in the breast of the tunnel.

### Real Estate Sales.

S. V. Allison, the barber has purchased of Milne Bros. the property known as the Opera house property situated on the west side of Main street. This property has a frontage of 32 feet. The price paid was \$2700. Mr. Allison will remodel the building making it into two rooms, one 20 feet wide which will be occupied by W. C. Johnson, with a complete line of General Merchandise and Groceries, and one 10 feet to be occupied by Messrs. Milne & Atchison, as a real estate office. This will leave Cottage Grove without an opera house for a while, but we understand there is already a stock company being organized, for the purpose of building a first-class theatre in the near future.

Messrs. Stewart & Porter have bought the Crowley block on Main street situated west of the Hotel Oregon and will erect a handsome two story brick building this summer.

### High School Notes.

To the disappointment of the pupils, school did not dismiss on Washington's birthday because from the fact that from the diptheria scare we had received our holidays sometime before.

In assembly Friday morning an appropriate and interesting reading was given about Mt. Vernon, the home of General Washington, was preserved and how through a committee of ladies it is being restored to its original structure by the people of the United States.

The High School girls remained after school Thursday to practice some new songs.

The English and Rhetoric classes are doing supplementary reading out of class along with their regular Rhetoric and English work.
