

# Graphophone FREE

Occasionally persons desiring to purchase Graphophone conclude that they can secure a lower price on a machine by buying at Eugene, Portland, or by sending East. We want to make those persons the following proposition:

Anyone buying proof before us to the effect that they or any of their friends have purchased, or can purchase, any type of Edison, Columbia or Victor Graphophone or records at any of the above mentioned places, any cheaper than we are selling the same, will be given a Graphophone absolutely free. Every night is bound by the same contract to sell only at the prices fixed by the factory and any agent doing otherwise is promptly suspended.

When you buy elsewhere you are simply out the express, freight or your own fare in transit.

Buy from your local dealer who is here to stay and make good all guarantees.

Manager David Griggs of the Pacific States Telephone Company has closed a deal with Messrs. Porter Bros. and Stewart for the entire ground floor of the new brick building they are to build just west of the Hotel Oregon on main street. The Telephone Company will require only half of the building, the other half will be occupied by the Modern Pharmacy.

As soon as the building is completed the Pacific States Company will install for Cottage Grove the center energy system and equip the office with every thing modern in the telephone business for the convenience of its patrons.

These changes and improvements are to be made on account of the great demand for telephones caused partly on account of the good work of manager Griggs for the Company, and largely on account of the great increase of business being done in all lines in Cottage Grove and adjacent country. The Pacific States Company is progressive and have the wherewith to meet the requirements of the trade. Such companies are beneficial in any city.

**THE ONLY PERFECT STROP IS THE RADIUMITE**
