

Spring Medicine

The best is Hood's Sarsaparilla. It is the best because it does the most good. While it makes the blood pure, fresh and lively, it tones the stomach to better digestion, creates an appetite, stimulates the kidneys and liver, gives new brain, nerve and digestive strength.

An unequalled list of cures—49,366 testimonials in two years—proves its merit.

Sarsaparilla—For those who prefer medicine in tablet form, Hood's Sarsaparilla is now put up in elegant tablets called Sarsaparilla, as well as in the usual liquid form. Sarsaparilla has identical the same curative properties as the liquid form, besides accuracy of dose, convenience, economy—there being no loss by evaporation, breaking, or leakage. Sold by druggists or sent by mail, C. I. Hood Co., Lowell, Mass.

Mrs. J. P. Case, 10 Gould Street, Boston, Mass., says: "In 25 years I have used Hood's Sarsaparilla, and as a general health builder for myself, my family, and my friends, I can say it is the best medicine I have ever used. It gives me genuine satisfaction to say this."

Cross Purposes.

Marshall Wilder tells of an elderly lady in Colmes, who, besides her deafness, experienced much trouble with false teeth. Consequently she was disposed to regard this world as a vale of tears. A neighbor, passing her house one day, beheld the lady sitting at the window, wearing an expression of more than usual gloom. Thinking to cheer the unfortunate one, the good-hearted neighbor screamed at the top of her voice:

"Good morning, Mrs. Blank. Fine weather we're having."

"Yes," replied the elderly lady, "but I can't eat with 'em yet."

Newspaper Nicknames in London.

Judge Reintoul's reference on the bench to the Times as the "Thunderer" reminds us how remarkably this nickname has persisted. The Morning Post is no longer "Joanna"; the Standard has not been "Mrs. Gamp" since the decease of the Morning Herald—the "Mrs. Harris" to whom it would allude as an independent authority. But the Times is still the "Thunderer." It owes that name to Capt. Edward Sterling, who is said to have begun a Times' article with the words: "We thundered forth the other day an article on the subject of social and political reform."—London Daily Chronicle.

"Did you ever succeed in swaying an audience to laughter or tears at will?" "No," answered Senator Sorghum; "I recognize the fact that all the world's a stage. I don't care to be reciting speeches. I want to be one of the men in the box office."—Washington Star.

A Prehistoric Skeleton.

The skeleton of the huge animal shown in the cut was found recently in Alaska and will be exhibited at the Alaska-Yukon-Pacific exposition to be held in 1909. This latest world's show, which will be at Seattle, Wash., will offer numerous attractions, but nothing will be more interesting than the mammoth.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by rebuilding the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

CURED OF GRAVEL.

Not a Single Stone Has Formed Since Using Doan's Kidney Pills.

J. D. Daughtrey, music publisher of Suffolk, Va., says: "During two or three years that I had kidney trouble I passed about 2½ pounds of gravel and sandy sediment in the urine. I haven't passed a stone since using Doan's Kidney Pills, however, and that was three years ago. I used to suffer the most acute agony during a gravel attack, and had the other usual symptoms of kidney trouble—lassitude, headache, pain in the back, urinary disorders, rheumatic pain, etc. I have a box containing 14 gravel stones that I passed, but that is not one-quarter of the whole number. I consider Doan's Kidney Pills a fine kidney tonic."

RHEUMATISM CAN NOT BE RUBBED AWAY

It is perfectly natural to rub the spot that hurts, and when the muscles, nerves, joints and bones are throbbing and twitching with the pains of Rheumatism the sufferer is apt to turn to the liniment bottle, or some other external application, in an effort to get relief from the disease, by producing counter-irritation on the flesh. Such treatment will quiet the pain temporarily, but can have no direct curative effect on the real disease because it does not reach the blood, where the cause is located. Rheumatism is more than skin deep—it is rooted and grounded in the blood and can only be reached by constitutional treatment—IT CANNOT BE RUBBED AWAY. Rheumatism is due to an excess of uric acid in the blood, brought about by the accumulation in the system of refuse matter which the natural avenues of bodily waste, the bowels and kidneys, have failed to carry off. This refuse matter, coming in contact with the different acids of the body, forms uric acid which is absorbed into the blood and distributed to all parts of the body, and Rheumatism gets possession of the system. The aches and pains are only symptoms, and though they may be scattered or relieved for a time by surface treatment, they will reappear at the first exposure to cold or dampness, or after an attack of indigestion or other irregularity. Rheumatism can never be permanently cured while the circulation remains saturated with irritating, pain-producing uric acid poison. The disease will shift from muscle to muscle or joint to joint, settling on the nerves, causing inflammation and swelling and such terrible pains that the nervous system is often shattered, the health undermined, and perhaps the patient becomes deformed and crippled for life. S. S. S. thoroughly cleanses the blood and renovates the circulation by neutralizing the acids and expelling all foreign matter from the system. It warms and invigorates the blood so that instead of a weak, sour stream, constantly depositing acid and corrosive matter in the muscles, nerves, joints and bones, the body is fed and nourished by rich, health-sustaining blood which completely and permanently cures Rheumatism. S. S. S. is composed of both purifying and tonic properties—just what is needed in every case of Rheumatism. It contains no potash, alkali or other mineral ingredient, but is made entirely of purifying, healing extracts and juices of roots, herbs and barks. If you are suffering from Rheumatism do not waste valuable time trying to rub a blood disease away, but begin the use of S. S. S. and write us about your case and our physicians will give you any information or advice desired free of charge and will send our special treatise on Rheumatism.
