NEWS OF THE WEEK

A Return of the Less Important but Still Interesting Events

The official policy of Frederick A. Bourn, as mayor of Chicago, is to keep the city free of crime. The city has been doing well, and the mayor has reason to be satisfied with the results of his administration. The city has been free of crime for the past year. No new cases have been brought to his attention. The mayor has been able to maintain the peace and order of the city, and the people are satisfied with the results of his administration.

General Conservatives, Owing to Incumbent's Incitement, Have Proposed a New Law for the Protection of Women

The consul of a foreign nation has been called to his embassy. It is understood that he was summoned because of the recent disturbances in his country. The consul is well known in diplomatic circles and has been very active in his work. He is expected to return to his country in a few days.

The question of women's rights is a very important one, and the government of the country is taking steps to protect them. A new law is being proposed which will provide for the protection of women in all cases of assault. The law will also provide for the arrest of the offender and for the appointment of a judge to try the case. The proposed law is expected to be passed by the legislature.
