Respect
Your
Stomach

GIVE it food that will not irritate or retard the performance of its natural functions, and it will reciprocate in a way agreeable and comforting.

No single ingredient contributes so largely toward wholesome, nourishing, agreeable food as Royal Baking Powder. Royal Baking Powder's active ingredient, Grape Crown of Dakota, is the most healthful of the fruit products. This is why Royal Baking Powder makes the food finer, lighter, more appetizing and anti-diaphoretic, a friend to the stomach and good health.

Imitation Baking Powders Contain Alum

"The use of alum and salts of alum in food should be abolished. The constant use of alum compounds exerts a deleterious effect upon the digestive organs and an irritation of the internal organs after absorption."
