Oregon's Prosperity.

The fruit crop of Oregon during the coming season promises to be especially large, and as a result of the freezing weather in the middle West, the market will be active and prices high, bringing Oregon's fruit growing capabilities to the front in a most forceful way.

Portland, during the month of April, will exceed by more than \$500,000.00 the building record of any other month in the history of the city.

Oregon has again been honored through the appointment of Mr. Isaac A. Manning, who has been active in the work of the Portland Commercial Club and Oregon Development League in advertising Oregon. Mr. Manning goes to Cartagena, Columbia, South America, and he will not overlook an opportunity to extend the trade of this state.

The Portland Business Men's Excursion which will be most thoroughly representative of the best business interests of the metropolis, will make stops at 33 Oregon and 5 Idaho cities and towns, and consume six days. They leave Monday May 6, at 3:30 a. m., and return the following Sunday morning.

A general meeting of the Oregon Development League is being discussed for some time in June, the exact date not yet decided upon, at which a plan will be discussed and decided upon that will give to the State of Oregon, every possible advantage that can accrue through the colonist rates which will begin September 1st and close October 31st. These rates are the same as those which ruled during March and April, and resulted in bringing so many thousands of people to the state.

Lumbermen in Washington Complain.

Western Washington lumber manufacturers lately met in Tacoma Wash., with the state railway commission in an effort to find a solution of some of their troubles. The conference took up the rating of mills as to capacity and demand for cars and the alleged discrimination of the roads against lumber shipments, resulting in the preference being given to wheat, raw products and general merchandise. As it would have difficulty in backing up a rating owing to many elements entering into the question of the relative number of cars to which any given mill may be entitled, the commission was disposed to avoid the issue though the mill men were anxious that a rating be made.

The proposed car record book to be kept by the railroads, the primary object of which is to prevent discrimination, was also discussed.

Wonderful Eczema Cure.

"Our little boy had eczema for five years," writes N. A. Adams, Henrietta, Pa. "Two of our home doctors said the case was hopeless, his hands being affected. We then employed other doctors, but no benefit resulted. By chance we read about Electric Bitters, bought a bottle and soon noticed improvement. We continued this medicine until several bottles were used, when our boy was completely cured." Best of all blood medicines and body building health tonics. Guaranteed at Benson's Pharmacy, 50c.

Not Enough to Go Around.

All applications for copies of the new and revised school laws made to the department of public instruction will be given a deal ear because the number of copies is not sufficient to supply the demand. Many requests for copies of the school law has been made, but they cannot be granted, as the last legislature was decidedly economical in its appropriation and voted to publish but 5,000 copies of the laws, while heretofore it has been a much larger number.

Graphophone FREE

Occasionally persons desiring to purchase a Graphophone conclude that they can save a low or price over a machine by buying in Eugene, Portland, or by sending first. We want to make those persons the following proposition: Anyone laying proof before us to the effect that they or any of their friends have purchased, or can purchase, any type of Edison, Columbia or Victor graphophone at a price lower than the above mentioned places, any cheaper than we are selling the same, will be given a graphophone absolutely free. Every agent is bound by the same contract to sell only at the prices fixed by the factory and any agent doing otherwise is promptly suspended. When you lay evidence you are simply out the express, freight or your car fare in transportation. Buy from your best dealer who is here to stay and make good all guarantees.
